Ninja Boy's Secret

Tina Schneider

Markup Note: :
NEW FOR 2019

Key Selling Points:

- Ninjas are a very popular subject for picture books with many solid sellers (see comps below), especially now with the popularity of Ninjareads.com and with December 5th being declared National Ninja Day

Summary

The sweet story of being invisible and becoming seen.

Ninja Boy has a secret. It's not that he's flunking out of Ninja Academy—his dad knows that. It's that Ninja Boy doesn't like skulking about quietly in the night, clad in black like a thief, leaving no trace of his existence. He knows he'll never be half the Ninja his father is—silent as a ghost, ever ready to attack.

No, this little Ninja has a different calling. He's a talented musician who expresses himself with a violin. He wants to share that passion with his dad, but is afraid his father will not approve. So what's a misguided maestro to do? Summoning all the courage and passion he has, he plays a loud and beautiful violin sonata for his Ninja dad!

In *Ninja Boy's Secret*, Tina Schneider's lively, amusing illustrations bring her character's struggles and ultimate triumph vividly to life. This Japanese-inspired picture book teaches kids valuable lessons through a fun and inspiring story.

With his faithful dog in tow, Ninja Boy makes his way from silence to song in a charming tale about being true to yourself and finding your calling in life.
