PICTURE BOOKS

Alpaca Goes Back-a to School

A PICTURE BOOK

● WRITTEN BY SUDIPTA BARDHAN-QUALLEN; ILLUSTRATED BY LEEZA HERNANDEZ

From powerhouse team Sudipta Bardhan–Quallen and Leeza Hernandez comes a joyful picture book about an alpaca’s first day back at school

Working together. / Learning each rule.
You're getting the KNACK–a / of being at school.
You'll dream of tomorrow / when you hit the SACK–a
Your school will be waiting . . . / get ready, Alpaca!

The first day back to school is always a little scary, but Alpaca is eager to face the new year!

From singing new songs to making new friends (and a paint spill here and there), Alpaca will help young readers feel prepared for their first day, easing their anxieties and getting them excited for school. Sudipta Bardhan–Quallen’s inventive rhyme, paired with Leeza Hernandez’s bright, graphic art, is perfect for read–aloud fun, as well as school and family libraries.

Sudipta Bardhan–Quallen has many things in common with alpacas—she’s highly sociable, she’s easily trained, and she never spits or bites unless you really scare her. Her stack–a of published children’s books is over fifty titles high and includes picture books like *Chicks Rule* and *Roxie Loves Adventure*, as well as chapter book series like *Purrmaids* and *Mermicorns*. She lives in New Jersey with her husband, three children, and an adorable pug named Roxie (who does happen to love adventure).

Leeza Hernandez adores alpacas because they’re just like cats: curious, treat–loving, and cuddly. She nearly adopted one, but with a tiny apartment, frequent farm visits to snuggle and sketch seemed like a better option. With more than 25 illustrated books in her backpack–a, including *Roxie Loves Adventure*, Hernandez currently lives in Central Florida where alligators outnumber alpacas. She’s not sure how cuddly gators are but she sketches them a lot and they always smile . . . so they must be friendly!

SELLING POINTS

Before You

A PICTURE BOOK

● WRITTEN BY ANNE SAWAN; ILLUSTRATED BY KAREN OBUHANYCH

A picture book celebrating the ways any new addition to a family brings joyful chaos and makes everyday experiences that much sweeter, warmer, better!

Before you, there was a bath, a book, and a comfy bed. Then you came and now the bath is sudsier, the book is sillier, and the bed is bouncier!

When a new child is introduced into a household—whether they are being fostered, adopted or being welcomed as a newborn—there is always a “before” and an “after.” Before they arrived, there was a cozy chair, a yummy meal, a frisky cat, a wiggly dog, and a jazzy song. After they arrived? Well, it only gets better—the chair is cozier, the meal is yummiier, the cat is friskier, the dog is wigglier, and the song is jazzier!

But the goldfish? It stays exactly the same.

This irresistible picture book celebrates all the small but impactful ways life changes when someone new joins a family.

Anne Sawan is a writer, reader, parent, and psychologist. She enjoys spending time with her large family and their numerous pets, including two dogs, three cats, several chickens, and some fish. *Before You* was inspired by her experience of having five children and seeing how her once quiet, average life was transformed into a world full of energy and love. She lives in Medford, MA. **Karen Obuhanych** is an author-illustrator living on the Big Island of Hawaii. She wrote and illustrated *This Little Kitty* and *This Little Kitty in the Garden* and has illustrated several books for young readers including *Annie’s Cat is Sad* by Heather Smith, and *The Fastest Tortoise in Town* by Howard Calvert. Before having her daughter, Obuhanych loved surfing, dining out, and spending hours in her art studio. Then her daughter came, and now the house is messier, the mornings are busier, and her heart is fuller.

Here Is a Book

A PICTURE BOOK

● WRITTEN AND ILLUSTRATED BY ELISHA COOPER

A love letter to books, showing how many elements and people contribute to making something beautiful, from Caldecott honoree Elisha Cooper

An artist's studio overflows with sketches, drafts, a wastebasket, and wonder.

A publisher's office hums with computers, layouts, coffee, and teamwork.

A printer makes a layout into a book using presses, ink, paper, and time.

And that book travels to a school, to a library, to a student, to a home.

In this poetic and beautifully illustrated ode to creativity and the process of making books, Caldecott honoree Elisha Cooper takes readers on a journey showing how words and art move from one person to another. From writer to reader, and everyone who contributes in between: *Here is a book, made with love.*

Elisha Cooper is an author/illustrator who received a Caldecott Honor for *Big Cat, Little Cat*, and his following book *River* won the 2020 Robin Smith Picture Book Prize. *Dance!*, one of his earlier books, was a *New York Times* Best Illustrated Children's Book of the Year, and *Beach* won the Society of Illustrators Gold Medal. In 2016, he was awarded a Sendak Fellowship. His essays and sketchbooks have appeared in the sports section of the *New York Times*. Cooper lives with his wife, daughters, and cats in New York City.

His books have garnered many other notable nods, starred reviews, and best-of-the-year accolades.

EVERGREEN TOPICS:

Books about books tend to do well, particularly among reviewers and librarians, while the broader focus here on creativity feels universal. This is a beautifully crafted, fresh take compared to what's out there.

A PICTURE BOOK

● WRITTEN AND ILLUSTRATED BY CHRIS BRITT

An interactive, playful picture book about getting lost in a book—literally!

Two best friends, Chad and Oliver, take a leisurely stroll through a book, but when Oliver disappears, they soon find out that some books can be an adventure! The Music Inside Us

YO-YO MA AND HIS GIFTS TO THE WORLD (A PICTURE BOOK BIOGRAPHY)

- WRITTEN BY JAMES HOWE; ILLUSTRATED BY JACK WONG

From a bestselling and award-winning team comes a moving, gorgeously illustrated picture-book biography of one of the greatest cellists of all-time, Yo-Yo Ma, and his lifelong passion for using music to unite people in harmony and joy

"I've been asking myself all my life, 'What is the purpose of music?'"
-Yo-Yo Ma

At a young age, Yo-Yo Ma discovered a remarkable gift for the cello, playing Bach from memory by age four. His technique was far beyond his years, but even as he grew into a world-class musician, he wanted to use his gift for something deeper, something bigger. So Yo-Yo dedicated his life to learning from other cultures' musical traditions and to bringing people together, while also teaching a new generation of young cellists to find the music inside themselves.

From James Howe, bestselling author of *Bunnica*, and Jack Wong, award-winning author/illustrator of *When You Can Swim*, comes the story of legendary cellist Yo-Yo Ma and his lifelong belief in the power of music—to create joy, to open hearts and minds, and to unite us.

James Howe wrote his first book, *Bunnicaula*, for fun. He has tried to bring the same spirit of playfulness and discovery to all the books he has written since. These include picture books such as *Milo Walking*, *Brontorina*, and *Horace and Morris But Mostly Dolores*. He is also the author of *The Misfits* and *Totally Joe*, as well as numerous sequels to *Bunnicaula*. Howe lives with his husband in an old house just north of New York City.

Jack Wong's debut picture book, *When You Can Swim*, received the 2023 Boston Globe–Horn Book Award in Picture Books and the 2023 Governor General's Literary Award in Young People's Literature, Illustrated Books. Born in Hong Kong and raised in Vancouver, Jack holds a Bachelor of Fine Arts from Nova Scotia College of Art and Design in Halifax, Canada, where he now lives with his wife and two cats.

● BY GEO RUTHERFORD

Dive into the most mysterious waters around the world (if you dare) in *Spooky Lakes*, an illustrated nonfiction book from TikTok star and educator Geo Rutherford

Some of Earth’s strangest—and creepiest—wonders lie deep below the surface. There’s Lake Natron, a Tanzanian lake so briny that its waters can mummify any creature that touches its surface; Lake Maracaibo, a Venezuelan tidal bay where a constantly brewing storm sends an average of 28 lightning bolts per second into the water; and at the bottom of Lake Superior, the crew of the USS *Kamloops*—which mysteriously disappeared in 1921—remains somehow almost perfectly preserved to this day.

From Geo Rutherford—the creator of the hit series Spooky Lake Month (over 65 million likes!)—comes this thrilling nonfiction book that plumbs the depths of 25 unusual lakes around the world. Readers will learn not only about the science of hydrology, but why understanding the natural world is crucial to protecting it from pollution and climate change. Backed by extensive research and packed with all–new content—including eerie and eye–popping watercolor illustrations in full color—*Spooky Lakes* takes readers on an adventure through weird and wild waters.

Includes a glossary, bibliography, author’s note, and index.

Geo Rutherford is an artist and teacher who has spent her entire professional career working in art education. She is an adjunct professor at the University of Wisconsin, Milwaukee and the visual arts director at Blue Lake Fine Arts Camp. While Geo’s interest in lakes began as a part of her artistic practice, she soon found a captive audience after sharing the information she was learning on TikTok. Her videos explaining the science behind strange ice formations or drifting islands piqued the interest of viewers worldwide, but her channel found its stride when she began posting videos about spooky lakes every October. If You Run Out of Words

Imaginative, humorous, and heartfelt, this picture book from internationally celebrated creator Felicita Sala in her author/illustrator debut is a whimsical ode to a parent’s boundless love for their child. Seeking reassurance of her father’s attention, a young girl peppers her dad with elaborate, anxious what-ifs. Dad soothes each worry with the perfect answer: if he ever ran out of words, he’d visit the Elves’ Word Factory so that he never runs out again, of course! Even if it means having to brave the darkest woods, escape pirates, or even fly a rocket ship back home, there’s nothing that could ever come between them—and there aren’t enough words to describe how much he loves her.

I Am We

Sometimes we may wonder, how does caring for ourselves help anyone else? But then we realize that the better we feel inside, the more we can be there for others—our friends, families, and communities. We are part of something bigger than ourselves, and when we each turn our goodness and compassion outward, we can create, learn, and love. From the *New York Times* bestselling team behind the *I Am* series comes a celebration of caring for ourselves AND others with open hearts and minds. Whether it's listening to a friend, welcoming newcomers with open arms, or standing up against injustice, *I Am We* shows us what true community looks like—and the amazing things that can happen when we come together.

Sea Change

A NOVEL

● BY SUSAN FLETCHER

An original and timely new YA novel from acclaimed author Susan Fletcher, set in a near–future where rogue gene editing has changed humanity—loosely based on *The Little Mermaid*

A girl torn between two worlds . . .

Turtle is scavenging a drowned town when she saves a stranger's life. There's something special about Kai—an attraction she's never felt before. She would do anything to see him again.

But Turtle can never truly be with Kai, because Kai is Normal, and Turtle is one of the Mer, kids whose genes were illegally hacked before birth and who now have working gills as well as lungs. Turtle lives on an old cruise ship with the other Mer in order to be close to the water she needs to survive.

Yet she sneaks away and lies to her friends to spend more time on land with Kai. And the pull of the shore grows even stronger when Turtle reconnects with her sisters and learns that her father, who has been in prison for having her genes modified, has escaped and may be hiding out nearby.

When scientists come up with a way for the Mer to surrender their gills and live as Normals, Turtle faces a terrible choice. Turtle loves her life with her Mer friends, but she desperately misses her family. And then there's Kai . . .

Should she give up her Mer community and their way of life, along with the joy of living freely under the sea? Or give up the guy she's falling for . . . and any hope of reconnecting with her family?

Susan C. Fletcher is the award–winning author of eleven novels for kids and young adults. Collectively, her books have been translated into nine languages and her accolades include a Golden Kite Honor Book, the American Library Association's Notable Books and Best Books for Young Adults, BCCB Blue Ribbon Books, and School Library Journal's Best Books. She lives in Bryan, Texas, with her husband.

SELLING POINTS

REIMAGINED CLASSIC: Loosely inspired by *The Little Mermaid*, this story is an updated take on a classic sure to captivate fans of fairytale retellings.

EMOTIONAL HOOK: *Sea Change* explores themes of fitting in, first love, and family—both the one you're born to and the one you make for yourself. Readers will see themselves in Turtle's coming–of–age journey.

MODERN ROMANCE: Much like Ariel in *The Little Mermaid*, Turtle changes her whole life for a boy. However, in Fletcher's reimagining, things are much more complicated, and Turtle's romance takes an unexpected turn. Readers will appreciate the way this modernized love story interrogates the challenges that come with changing your whole life for a partner.

SCIENCE FUTURE: *Sea Change* grapples with the moral complexities and consequences of our near future. Characters deal with the late–stage effects of climate change and rising sea levels, and explore the moral ambiguity around genetic modification.

Smoke & Mirrors

A NOVEL

● BY ROSALYN RANSAW

An exciting and twisty middle-grade debut mystery novel—perfect for fans of *From the Desk of Zoe Washington* and *The Parker Inheritance*—about the disappearance of a famous magician, and one boy’s quest to find the truth

Spending the summer with his aunt as the only Black kid in a small Midwestern town was bad enough, but now Andy Carter’s summer has been effectively ruined. His dad’s parole hearing is postponed, he misses his friends, and—when an old barn burns down—he’s stuck taking the blame. Andy is sentenced with helping the barn’s owner, a cantankerous old man, renovate his crumbling mansion—a mansion that hides a mystery. It was once owned by the famous magician the Red Nave. In 1954, the Nave was a wanted suspect in the town’s most infamous murder before disappearing without a trace.

The whole town is sure the Red Nave is guilty, but to Andy, things just don’t add up. Investigating a mystery from the ’50s isn’t the same as spending time with his dad, but Andy can’t help but be drawn into the Red Nave’s exciting world of magic and illusion. To solve the Nave’s final vanishing act, Andy teams up with another boy he doesn’t quite trust. Secret by secret, they try to uncover the Red Nave’s identity and learn why his last performance came to such a tragic end.

With a gripping combination of hidden doors, shocking twists, and deep emotional heart, *Smoke & Mirrors* asks the question: How much of the truth is what you can get people to believe?

Rosalyn Ransaw is a Columbia University graduate living in Columbus, Ohio. When not writing, she works as a digital marketing manager and enjoys claiming her best friend’s dog as her own. *Smoke & Mirrors* was loosely inspired by her time working as a small-town summer camp counselor and witnessing the way white children’s side of the story was always easier believed, coupled with her mother’s unshakable belief that the only difference between illusion and magic is perspective.

SELLING POINTS

STRONG SOCIAL THEMES:

Ransaw tackles delicate social topics such as bullying, prejudice, and the injustices of our justice system with a refreshing mix of realism and compassion.

COMPELLING MYSTERY:

Packed to the brim with twists and turns, readers will fly through this book as they accompany Andy in solving this mystery.

INTERGENERATIONAL

FRIENDSHIP: The heart of this story comes from the unlikely friendship formed between Andy and Mr. Gilbert, a curmudgeonly old man who gives Andy a second chance when no one else will.

COMBATING ASSUMPTIONS:

This story encourages readers to stand up for the truth, even when others can’t see it, and reminds us all that sometimes it’s the kids in our lives who see things most clearly.

When her first tooth comes loose, Miriam is determined to prove to her friends and family that the tooth fairy isn't real. She's going to lay the perfect trap . . . just as soon as her tooth *actually* comes out. But despite all her scheming, her investigation doesn't go to plan. Maybe, just maybe, the tooth fairy is real after all?

Leah Cypess wrote her first story when she was in the first grade and has been writing ever since. She's the author of the Sister Ever After series along with many books for young adults. She lives in Silver Spring, MD.

The Woofmore on Thin Ice (The Woofmore #3)

WRITTEN BY DONNA GEPHART AND LORI HASKINS HOURAN; ILLUSTRATED BY JOSH CLELAND

Return to the luxury hotel for dogs in *The Woofmore on Thin Ice*, the third book in the pawsome full-color chapter book series from authors Donna Gephart and Lori Haskins Houran and illustrator Josh Cleland

Welcome to the Woofmore, where the water bowls are always full and there's kibble on every pillow! Rufus and his boss, Ms. Coco, work hard to make every guest feel like a VIP (Very Important Pooch). It's winter at the Woofmore and the hotel is down to one guest—famous figure skater Furya LaBone. Ms. Coco wants her visit to be pawfect. The Woofmore needs more guests to stay open, and a good review from a VIP like Furya could save the hotel. But when the local ice rink closes and Furya is left with nowhere to practice for her big competition, it looks like the hotel may be on thin ice. If Rufus can't help this skating superstar come up with a showstopping move for her routine, it could be a ruff winter for the Woofmore. With adorable illustrations and hilarious text, this new early chapter book series will hit young dog lovers smack in the funny bone!

DETECTIVE DUCK

Detective Duck: The Case of the Missing Tadpole (Detective Duck #2)

● WRITTEN BY HENRY WINKLER AND LIN OLIVER; ILLUSTRATED BY DAN SANTAT

Detective Duck: The Case of the Missing Tadpole is a hysterical, full-color chapter book adventure from *New York Times* bestselling creators—Emmy Award-winning actor Henry Winkler, children’s book author Lin Oliver, and Caldecott Medal-winning author-illustrator Dan Santat

Willow Feathers McBeaver, aka Detective Duck, is a crime-solving (and very precocious) little duck. She and her animal pals live on Dogwood Pond, a beautiful pond in New England adjacent to Lazy Days, a human campground. Dogwood Pond has always been a pristine spot with clear water, abundant wildlife, and shady willow trees, but now it is encountering puzzling problems—mysteries that arise from human-caused disruptions in nature, such as water pollution, refuse, warming climate, and human encroachment.

When Tad the Tadpole goes missing, Detective Duck and her friends in the Pond Squad are on the case. What first seemed like a simple search and rescue mission gets more complicated when her friends find a pipe leaking a strange brown liquid and a cluster of peculiar blue-green plants that make it difficult for the pond creatures to breathe.

Fortunately, Detective Duck is on the job, solving these puzzling mysteries before they get out of hand and destroy their habitat! The Pond Squad will have to work together to clean up their environment and bring Tad home in this charming new mystery.

Henry Winkler is an Emmy Award-winning actor, writer, director, and producer who has created some of the most iconic TV roles, including Arthur “the Fonz” Fonzarelli on *Happy Days* and Gene Cousineau on *Barry*. **Lin Oliver** is a children’s book writer and a writer and producer for both TV and film. Once Bitten, Twice Dead (A Monster High YA Novel)

● BY TIFFANY SCHMIDT

Get your spook on with Draculaura and the other O.G.s—Original Ghouls—while they hit up their old haunts in this all-new YA novel set in the world of Mattel’s *Monster High* and written by Tiffany Schmidt.

When a horrific loss throws Monster High into a state of grave upheaval, Draculaura and the other ghouls find themselves coping in different ways. Cleo and her family sense opportunity in the mayhem, grasping at control and leaving the rest of the ghouls’ loyalties divided.

For her part, the chaos at school is making Draculaura sick. She feels more exhausted by the day, and she finds escape only by slipping away to the cemetery to pore over her mom’s old journals. It’s there that she meets Poe, a handsome human harboring some darkness of his own. Soon Draculaura finds herself caught in an impossible web of lies. If her ghoulfriends find out she’s fallen for a normie, they’ll freak. And if Poe discovers she’s a vampire, his monster–hunting dad may have a stake in the matter.

Meanwhile, dangerous events have begun plaguing the halls of Monster High. The gargoyles stage a mutiny, and the water in the swimming pool boils while Lagoona is swimming laps. When the magical protections around the school borders falter and a group of normies stumble onto campus, Draculaura and the other ghouls know something needs to be done before Monster High becomes Monster Die.

But there’s a secret about Draculaura that no one—not Poe, the other ghouls, or even she—was aware of until now: a secret tied to the school’s very marrow. When Draculaura and Ghoulia uncover ancient texts that reveal the full implications of her identity, Draculaura is forced to make an impossible choice that will alter her identity forever.

Will her loyalties to Monster High determine all their fates? Or will Draculaura succumb to a dangerous passion that makes her feel more . . . *alive* than she ever has?

Tiffany Schmidt is the author of *Once Bitten, Twice Dead* in addition to nine other acclaimed young adult novels. She is a former sixth grade teacher and is married to a saint, the mother of three impish boys, and owns a pair of mischievous pups. Tiffany lives and writes in Doylestown, Pennsylvania. Young Blood (An Umbrella Academy YA Novel)

● BY ALYSSA SHEINMEL

The official prequel novel to the hit *Umbrella Academy* series on Netflix, starring a teenaged *Umbrella Academy* in an original, darkly comic adventure written by *New York Times* bestselling author Alyssa Sheinmel.

The *Umbrella Academy* has always been extraordinary—ready to leap to superpowered action at a moment’s notice. But now that Five has disappeared and their fame has crested, sometimes the only thing Luther, Diego, Allison, Klaus, Ben, and Viktor want is to be normal. . . which is much easier said than done, when you’re raised by someone like Hargreeves.

For their exacting and tyrannical father figure, nothing is ever enough; which is why, during a dinnertime debriefing on their latest mission, Ben snaps, prompting Klaus to suggest that they all need a change of scenery—just one night of partying like a bunch of average teens. In fact, Klaus knows just the place; there’s a frat house in a neighboring college town that throws weekend blowouts. What could go wrong?

They soon realize sneaking out of Hargreeves’s house—er, *fortress*—is the least of their concerns. When the six teens pledge not to use their powers under any circumstances, they fail to factor in the sheer force of teen drama. Faced with weird earthquakes, weirder partygoers, and a possible new foe, the *Umbrella Academy* must choose between the night they always dreamed of and an unexpected mission that may save the world and—finally—secure Hargreeves’s approval.

Alyssa Sheinmel is the *New York Times* bestselling author of several novels for young adults, including *Outer Banks: Lights Out*, *The Castle School for Troubled Girls*, *What Kind of Girl, A Danger to Herself and Others*, and *Faceless*. She currently lives and writes in New York.

SONG OF THE LIONESS

Song of the Lioness, Book 1: Alanna

A GRAPHIC NOVEL ADAPTATION

● BY TAMORA PIERCE; ADAPTED BY VITA AYALA; ILLUSTRATED BY SAM BECK

The first book in #1 New York Times bestselling author Tamora Pierce’s award-winning Song of the Lioness quartet, adapted into a gorgeous, full-color graphic novel

In *Song of the Lioness, Book 1: Alanna*, the first of four volumes adapting #1 *New York Times* bestseller Tamora Pierce’s *Song of the Lioness* quartet, we meet Alanna of Trebond, a young noblewoman from the kingdom of Tortall. However, Alanna isn’t like other girls from noble families—what she really wants is to become a knight and earn her shield, something women *definitely* aren’t allowed to do.

But Alanna will not be deterred, and she arrives in the capital disguised as a boy to begin training as a page, the first step toward becoming a knight. Despite the tough conditions and grueling work, Alanna’s skills and stubbornness win her friends amongst the nobility *and* the denizens of the lower city. But not everyone wishes her well . . .

Filled with magic and mayhem, adventure and action, swords and spells, book one in the *Song of the Lioness* quartet is the ultimate introduction to Alanna and Tamora Pierce’s legendary Tortall universe.

Tamora Pierce is the #1 *New York Times* bestselling author of over 18 novels set in the fantasy realm of Tortall. She is the winner of the Margaret A. Edwards Award for her "significant and lasting contribution to young adult literature." Pierce lives in Syracuse, New York, with her husband, Tim. **Vita Ayala** is a queer Afro–Puerto Rican writer born and bred in New York City. Their work includes *The Wilds* (Black Mask Studios), *Submerged* (Vault), *Static* (DC Comics), *Xena: Warrior Princess* (Dynamite), *Shuri* and *New Mutants* (Marvel), and *Livewire* (Valiant), among others. **Sam Beck** is an artist living in Toronto, and the author of the fantasy trilogy *Verse*. When she’s not working on her comics, you can find her admiring the forests of northern Ontario.

SELLING POINTS

EVERGREEN SERIES: The *Song of the Lioness* series is classic, one of *Time*’s 100 Best Fantasy Books of All Time. Originally published in 1983, this title has never gone out of print, with lifetime sales nearing 500,000 copies across editions (since Bookscan began reporting—actual sales much higher).

LGBTQ–FOCUSED: In 2019, Pierce said, “Alanna has always defied labels. She took the best bits of being a woman and a man and created her own unique identity. I think the term is ‘gender–fluid,’ though there wasn’t a word for this (to my knowledge) when I was writing her.” With feminist themes and a diverse cast, and examined through this new queer lens, this story is timelier than ever.

TALENTED CREATORS: Vita Ayala and Sam Beck are stars in the comics community. Ayala has written for publishers such as DC Comics, Dynamite, IDW, Image Comics, Marvel, Macmillan, and Valiant. Beck has worked with Valiant and Dark Horse, and her webcomic, *Verse*, was published by Wonderbound in 2021.

The Mythmakers

THE REMARKABLE FELLOWSHIP OF C.S. LEWIS & J.R.R. TOLKIEN (A GRAPHIC NOVEL)

● WRITTEN AND ILLUSTRATED BY JOHN HENDRIX

From *New York Times* bestselling, award-winning creator John Hendrix comes *The Mythmakers*, a graphic novel biography of two literary lions—C.S. Lewis and J.R.R. Tolkien—following the remarkable story of their friendship and creative fellowship

The rich worlds of C.S. Lewis’s *The Chronicles of Narnia* and J.R.R. Tolkien’s *The Hobbit* and *The Lord of Rings* have enchanted readers both young and old for generations. But before they created these literary landmarks, Lewis and Tolkien were simply two friends who shared a love of stories.

The Mythmakers chronicles their lives, from their horrific tour of the trenches of World War I, their first meeting at Oxford in 1929, and the literary discussions of the Inklings to World War II, the publications of their work, and their aftermath. Their personal stories are so intertwined that neither can be easily told without the other.

Written and illustrated by John Hendrix, the *New York Times* bestselling and award-winning creator of *The Faithful Spy*, *The Mythmakers* reveals how these remarkably creative minds influenced each other: their world-building philosophies, their ideas of mythology and faith, and their belief in the truth behind the human imagination. *The Mythmakers* is a masterful work capturing the extraordinary lives and literary contributions of Lewis and Tolkien, two of the most important and influential writers of the twentieth century.

John Hendrix is a *New York Times* bestselling author and illustrator. His books include the young adult graphic novel *The Faithful Spy: Dietrich Bonhoeffer and the Plot to Kill Hitler* (a YALSA Nonfiction Excellence in Nonfiction Award Finalist). He is also the author–artist behind the adult books *The Holy Ghost: A Spirited Comic* and *Drawing Is Magic: Discovering Yourself in a Sketchbook*. He is chair of the MFA Illustration and Visual Culture program in the Sam Fox School of Design & Visual Arts at Washington University in St. Louis. Hendrix lives in Webster Groves, Missouri.

Parable of the Talents

A GRAPHIC NOVEL ADAPTATION

- WRITTEN BY OCTAVIA E. BUTLER; ADAPTED BY DAMIAN DUFFY; ILLUSTRATED BY JOHN JENNINGS AND DAVID BRAME

The graphic novel adaptation of Octavia E. Butler’s groundbreaking dystopian novel, the follow-up to the graphic novel adaptation of *Kindred*, a #1 *New York Times* bestseller, and the critically acclaimed *Parable of the Sower*

Octavia E. Butler’s *Parable of the Talents: A Graphic Novel Adaptation* is the continuation of the travails of Lauren Olamina, the heroine of 2019’s Hugo Prize–winning *Parable of the Sower: A Graphic Novel Adaptation*. Brought to life by Damian Duffy and John Jennings, the creative team behind the #1 *New York Times* bestseller *Kindred: A Graphic Novel Adaptation*, *Parable of the Talents* is told in the voice of Lauren Olamina’s daughter, Asha Vere—from whom she has been separated for most of the girl’s life—interspersed with sections in the form of Lauren’s own journals. Against a background of a war–torn continent under the control of a Christian fundamentalist fascist state, Asha searches for answers about her own past while struggling to reconcile with her mother’s legacy—caught between her duty to her chosen family and her calling to lead humankind into a better future among the stars.

Octavia Estelle Butler (1947–2006), often referred to as the “grand dame of science fiction,” was born in Pasadena, California, on June 22, 1947. Frank Miller's Pandora (Book 1)

- WRITTEN BY FRANK MILLER, ANTHONY MARANVILLE, AND CHRIS SILVESTRI;
ILLUSTRATED BY EMMA KUBERT

From legendary creator Frank Miller comes a dark, modern fairy tale about a teenage girl searching for a perfect world. But not all is what it seems . . .

From Frank Miller's new publishing initiative, Frank Miller Presents, comes the collected edition of *Pandora* (self-published initially in 2022–23 as six comics). Inspired by the illustrated fairy tales Miller read with his mother growing up, *Pandora* focuses on an endlessly curious girl named Annabeth. Unpopular at school, unhappy at home, and struggling to feel like she belongs, everything changes for Annabeth when she stumbles across a flower-shaped relic with the power to warp reality. Determined to change her dissatisfying everyday life, Annabeth starts to change the world around her, and as she does, she sows the seeds of impending chaos in her wake.

Co-written by Anthony Maranville and Chris Silvestri, who previously teamed up on *Star Trek: Discovery*, and illustrated by Emma Kubert, daughter of Marvel Comics artist Andy Kubert, and granddaughter of industry legend Joe Kubert, founder of the Kubert school, this celebrated creative team brings to life a story that is unlike any Miller has told before, while still distinctly retaining his iconic storytelling touch.

New readers and longtime Miller fans will both be drawn to *Pandora* as the mystery unfolds and the true cost of Annabeth's magic is revealed.

Frank Miller is regarded as one of the most influential and prominent creators in the comic book industry today, known for his intense, hard-boiled storytelling and gritty noir aesthetic across comics, novels, and film. His most notable works include *300*, *Ronin*, the Sin City series, *Batman: The Dark Knight Returns*, and *Batman: Year One*, among others. He has received numerous awards, including two Harvey Awards for Best Graphic Album of Original Work in 1998 and Best Continuing Series in 1996; and six Eisner Awards, including those for Best Writer/Artist, Best Graphic Novel Reprint, Best Cartoonist, Best Cover Artist, Best Limited Series, and Best Short Story. In 2015, Miller was inducted Will Eisner Award Hall of Fame for his lifetime of contributions to the industry. **Emma Kubert** is a freelance comic book artist, writer, co-creator, penciler, and colorist of Image Comic's Inkblot series, and graduate of the Kubert School. She is the daughter of Marvel cover artist Andy Kubert and granddaughter of industry icon Joe Kubert. **Anthony Maranville** is a television writer who has previously written for the Emmy, Saturn, and GLAAD Award-winning *Star Trek: Discovery* and the Emmy Award-nominated *Star Trek: Short Treks* episode "Ephraim and DOT." He also directed the award-winning documentary *Mimi Vang Olsen: Pet Portraitist*. **Chris Silvestri** is an award-winning television writer who has worked on shows such as *Star Trek: Discovery*, NBC's *Hannibal*, Netflix's *Brainchild*, and *Star Trek: Short Treks*. He also co-wrote *Hide or Seek*, a graphic novel with Dan DiDio and Anthony Maranville.

SELLING POINTS

PRESTIGIOUS CREATOR: Frank Miller is a legend in the comic book industry, and much of his work has gone on to shape and inform pop culture today across mediums. Stories such as *300* and *Sin City* are instantly recognizable to most pop culture fans, and Miller has consistently used the influence and reader base he's gained through IP work like *Batman: Year One*, Marvel's *Daredevil*, and *The Dark Knight Returns*, to cultivate a formidable platform for telling original stories. *Pandora* is one of the first titles of his new endeavor, Frank Miller Presents, which launched in 2022.

TWISTED FAIRY TALE: As Miller steps out of his comfort zone to deliver a story from the point of view of a young girl, *Pandora* seems like a typical wish-fulfillment fairy tale at first, but soon spirals into a unique and twisted romp through a goblin world where not all is as it seems. Miller's touch brings an element of the unexpected to the classic myth of Pandora. The fantasy element of the work will help this title transcend the traditional audience for Frank Miller's storytelling as a crossover title, while showing longtime fans a new side of Miller's work.

RICHLY ILLUSTRATED:

Up-and-coming talent Emma Kubert is part of a long legacy of comics artists, beginning with the legendary founder of the Kubert School, Joe Kubert, and her father, award-winning comics artist Andy Kubert. Emma's charming and eerie art skillfully provides both YA and classic comics appeal to *Pandora*, and her family's long collaborative partnership with Frank Miller provides added prestige to the work.

The Avengers in the Veracity Trap!

● BY CHIP KIDD AND MICHAEL CHO

The newest original graphic novel in the Marvel Arts line, the Avengers star in a reality-bending adventure from award-winning writer Chip Kidd and artist Michael Cho

As the original Avengers—Captain America, Iron Man, Thor, Giant Man, the Wasp, and the Incredible Hulk—fight a series of Kirbyesque creatures, they encounter a mysterious entity called the Veracity Vortex. This glowing object is actually a portal, and once you go through it you learn . . . the Truth. But when Thor jumps into the Veracity Vortex to retrieve his hammer, the rest of the Avengers soon follow, only to come out the other side and make the startling discovery that they're not *real*. In fact, they are merely fictional characters whose actions and heroics are being controlled by—*writers and artists*—comics creators who are just as surprised to come face-to-face with the actual Avengers!

The super heroes have no more than a moment to grapple with the reality that they are merely characters in a comic book—a medium, as Thor grimly reveals, that's considered to be “literature of the lowest order”—before they are thrust into the real world. There, they face their most terrifying foe yet—existential dread! And in this strange “real world,” they discover that the writers and artists control them in the midst of a battle with an equally terrifying foe— *deadlines!*

Follow the Avengers as they oscillate between worlds, question their fate and destiny, and struggle to take control of their own story in this wholly original meta narrative from award-winning creators Chip Kidd and Michael Cho.

Chip Kidd is an award-winning graphic designer, writer, and editor at large at Pantheon. A three-time Eisner Award winner, he has written and designed more than a dozen books on comics, including *Only What's Necessary: Charles M. Schulz and the Art of Peanuts*, *Shazam! The Golden Age of the World's Mightiest Mortal*, *Mythology: The DC Comics Art of Alex Ross*, and *Marvelocity: The Marvel Comics Art of Alex Ross*. He lives in New York City. **Michael Cho** is a cartoonist and illustrator based in Toronto, Canada. These days you can see his art on comic book covers for Marvel, DC Comics, and other companies. He's also drawn for *Star Wars*, *Star Trek*, Fortnite, Disney, the Marvel Cinematic Universe, and even the Joe Biden presidential campaign. Along the way, Cho has won a few awards for his work and published an art book of his drawings, *Back Alleys and Urban Landscapes*, with Drawn & Quarterly in 2012. His first graphic novel, *Shoplifter*, was published in 2014 by Pantheon and was a *New York Times* bestseller.

Uncle Sam

SPECIAL ELECTION EDITION

● WRITTEN BY STEVE DARNALL; ILLUSTRATED BY ALEX ROSS

Out of print for over a decade, the long-awaited reissue of the classic Vertigo miniseries *Uncle Sam* by Steve Darnall and Alex Ross is a sharp political fever dream praised by *Kirkus* as a “truly subversive graphic novel” and “a damning account of American political history that also affirms basic democratic ideals”

Uncle Sam: Special Election Edition is a vibrant, hallucinatory tour of modern America—the story of a star-spangled, ragged vagrant named Sam who is guided by the voices in his head and his own fractured memories. Absorbed by history—traveling visions of America’s dark past, Uncle Sam struggles to remember his true identity and piece together the scattered clues of his own experiences in this deep and thoughtful look at America’s checkered past.

Meticulously researched by Steve Darnall and fully painted by Alex Ross, *Uncle Sam* returns in print just when it is needed most—in time for the 2024 presidential election—as a reminder of American ideals, the promise of our nation, and the democracy that is at stake.

Originally published by DC, and out of print for over a decade, this expanded and updated Special Election Edition is brought to readers by Abrams in collaboration with DC.

Steve Darnall first worked with Alex Ross when the two collaborated on a Human Torch story that served as the inspiration for the award-winning 1993 series *Marvels*. Steve served as a consultant on the movie *Being the Ricardos* and Ken Burns’s documentary *Country Music*. He is also the editor of *Nostalgia Digest* magazine, and the host of two weekly radio shows dedicated to the golden age of radio. **Alex Ross** studied illustration at the American Academy of Art in Chicago, then honed his craft as a storyboard artist before entering the comics field. His miniseries *Marvels* opened a wider acceptance for painted comics. In 1996, he moved on to produce the equally successful *Kingdom Come* for DC Comics. Ross is also the writer and artist of *Fantastic Four: Full Circle*—the award-winning national bestseller—and *The Alex Ross Marvel Comics Poster Book* and *The Alex Ross Marvel Comics Super Villains Poster Book*

Praise for *Uncle Sam*

“The most eloquent use of a superhuman archetype for a great many years, Darnall and Ross have, with *Uncle Sam*, produced a luminous and moving study of America’s iconographic landscape, at once an indictment and a reclamation of the nation’s oldest and most venerable symbol. As a portrait of a fond American dream at last waking to itself, *Uncle Sam* is genuinely inspiring and deserves to be read more than once. Highly recommended.” —Alan Moore, *Watchmen*, *V for Vendetta*, and *Batman: The Killing Joke*

SELLING POINTS

TIMELY SUBJECT MATTER:

With the election coming in November 2024, the message of *Uncle Sam* is as relevant as it was when it was first published in 1997, with nationalist sentiment and political division running higher than ever. Our Fall 2024 *Special Election Edition* of this out-of-print classic by Steve Darnall and Alex Ross is timed perfectly for our current conversations about the state of our country.

INCREDIBLE CREATIVE TEAM:

Alex Ross’s art makes Steve Darnall’s words jump off the page, bringing pathos to the journey of Sam as he tries to recollect where his vision for America went wrong. Ross expertly captures both the mundane suffering of everyday Americans and the gravitas of the weight of American history. *Uncle Sam* would feel trite if executed by a less skilled team, brought fully and expertly to life in a medium Ross helped to define.

NEW CONTENT: In addition to reprinting the introduction by journalist Greil Marcus, Alex Ross has created a new cover and a new afterword, and writer Steve Darnall adds a new afterword and an expanded, illustrated essay on the history and iconography of Uncle Sam.

25TH ANNIVERSARY: *Futurama* debuted on Fox on March 28, 1999. Our book will be released to time with the show's 25th anniversary.

BELOVED BRAND: *Futurama* is an Emmy Award-winning cult classic and critical success. After an outpouring of fan demand, it was revived by both Comedy Central and Hulu in July 2023 following its original 2003–07 run on Fox.

CULTURAL RELEVANCE: Season 11 of *Futurama* started airing on Hulu on July 24, 2023, after a 10-year hiatus. The new season has received strong interest and attention and Hulu has already announced that it has greenlit up to season 14. *Futurama*'s lovingly satirical skewering of life in the distant future could not be more relevant or timely, as ethical technological advances, social media, and the uncertain future dominate Millennial and Gen Z cultural conversations.

NEVER-BEFORE-SEEN CONTENT: *The Art of Futurama* contains brand-new material as well as never-before-seen developmental material from the history of the show, and a complete episode guide, all presented by Matt Groening and other series contributors, including longtime showrunner David X. Cohen and producer Claudia Katz. This comprehensive, beautifully designed book offers fans an innovative look at the making of this cult classic—the perfect gift for longtime fans as well as a new generation first encountering the show on Hulu.

DUNE: THE GRAPHIC NOVEL#3

DUNE: The Graphic Novel, Book 3: The Prophet

- WRITTEN BY BRIAN HERBERT AND KEVIN J. ANDERSON; ORIGINAL NOVEL BY FRANK HERBERT; COVER BY BILL SIENKIEWICZ; ILLUSTRATED BY RAÚL ALLÉN AND PATRICIA MARTÍN

The third and final volume of the graphic novel adaptation of *Dune*, the groundbreaking science–fiction classic by Frank Herbert

The highly anticipated finale of the graphic novel adaptation of Frank Herbert's 1965 novel *Dune* comes to an epic conclusion in *DUNE: The Graphic Novel, Book 3: The Prophet*.

The final battle for Arrakis is swiftly approaching. Paul Atriedes has accepted his role as the leader of the Fremen but knows his power over them teeters on the brink—they will either take back their planet or lead a jihad that will consume the entire cosmos.

Brian Herbert, son of Frank Herbert, and *New York Times* bestselling author Kevin J. Anderson conclude their faithful adaptation of the novel *Dune* with Paul's manifestation of his great and terrible purpose. Once more illustrators Raúl Allén and Patricia Martín transport readers to the *Dune* universe in this visual masterpiece that blends classic science fiction with contemporary comics storytelling.

Frank Herbert (1920–1986) was an American science–fiction writer best known for his novel *Dune* and its subsequent five sequels. **Brian Herbert**, the son of Frank Herbert, is known for his collaborations with author Kevin J. Anderson, with whom he has written multiple sequels and prequels to his father's landmark 1965 science–fiction novel *Dune*. **Kevin J. Anderson** is the author of more than 50 bestsellers. Along with Brian Herbert, he is the co–author of the *Dune* prequel series. **Raúl Allén** and **Patricia Martín** are artists living in Valladolid, Spain. Allén and Martín have worked for Marvel Comics, Valiant, and DC Comic. **Bill Sienkiewicz** is an Eisner–winning, Emmy–nominated artist best known for his work with Marvel Comics and DC Comics.

Praise for *Dune: The Graphic Novel Series*

* “Faithful, Dazzling . . . The core of what made *Dune* a great science fiction novel has been preserved, and to it are added vibrant visuals in *Dune: The Graphic Novel, Book 1*—a resoundingly successful adaptation.”
—*Foreword Review* (starred review)

“Intricate . . . well defined . . . easy to follow . . . blending the aristocratic costumery, sci–fi technology, and desert landscape into a world that is unmistakably *Dune*.”
