I Got It From My Mama

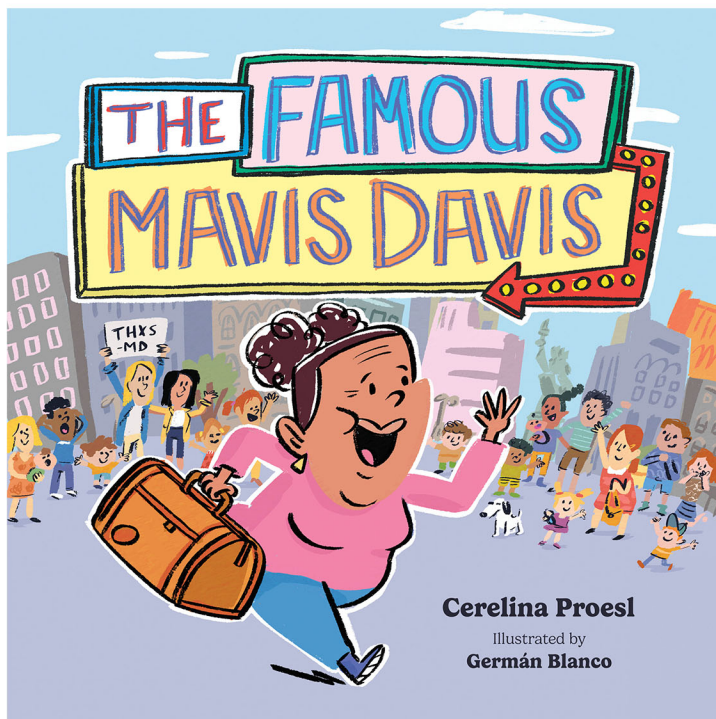

Through a series of mishaps and heartfelt moments, Ella learns that life's most valuable lessons often arise from the unexpected twists of the everyday. Whether it's turning a kitchen disaster into a learning moment or a misunderstanding that ends with a warm hug, this story show that perfection isn't the goal—it's all about growth, understanding, and the power of apologies.

The Famous Mavis Davis

A sweet and humorous ode to the caregivers that contribute so much to the families that love them, *The Famous Mavis Davis* follows the adventures of a New York City nanny and the boy in her care, Leon. Their love for each other grows over many milestones, from eating to walking to bedtime, gazing at the moon. But as the end of his time with Mavis Davis draws near, Leon tries everything to convince her to stay! *The Famous Mavis Davis* highlights the special importance of all the loving connections that positively impact children's growth and development.

Greta Whiteshark Meets the Mermaids

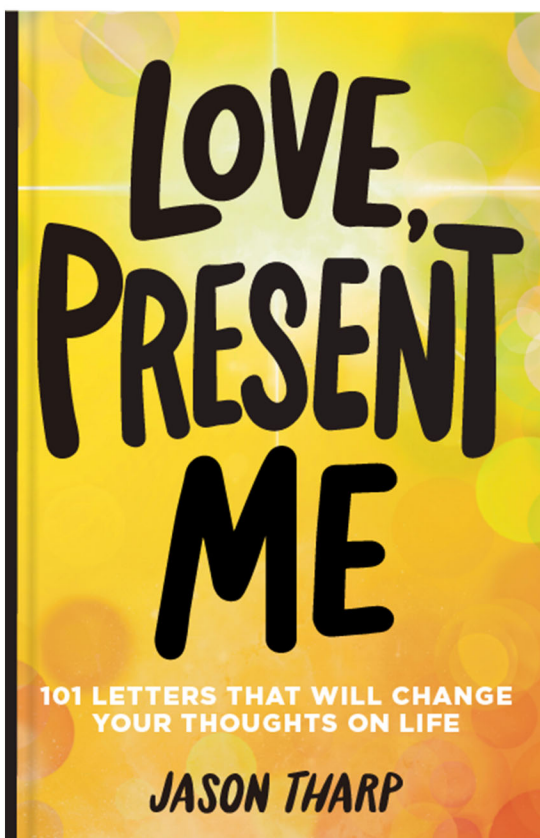

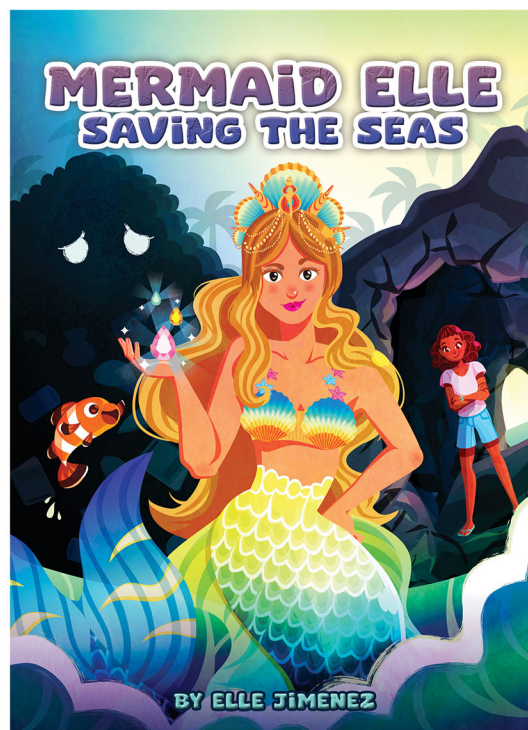

Deep in Fin Land's cool waters, Greta spends her days competing in chomping competitions, laughing out loud with her shark-maid classmates, and pranking her parents with best friend, Morgan the jellyfish. You might say Greta and Fin Land are a perfect fit. But when Mom and Dad announce a big move to glamorous Mermaid Cove, Greta worries she won't fit in at all. And things get worse when Morgan paints a worrisome picture of the 'snobby' mermaids who live there. Will the mermaids reject her? Or, has Greta seriously underestimated her new neighbors?

Mermaid Elle Saving the Seas

Mermaid Elle is princess of her kingdom in the warm waters of the Caribbean Sea. Her duty is to protect the ocean and keep her home and sea friends safe. Until one day, Gunk, a toxic creature who feeds off of the garbage in the ocean, shows up and causes catastrophic damage to her sea friends' reef. Now Mermaid Elle must find a way to stop this Gunk before he destroys the entire ocean. With the help of her new superpowers, a human girl, Sofia, and her loyal clownfish friend, Skippy, Mermaid Elle embarks on a mission to save her home and defeat the pollution monster.
