Our mission is to foster a lifelong love of reading through publishing books that entertain, inspire, and educate. Genius Cat blends the imagination and whimsy of childhood with the wisdom of adulthood to create engaging books with messages that last a lifetime.

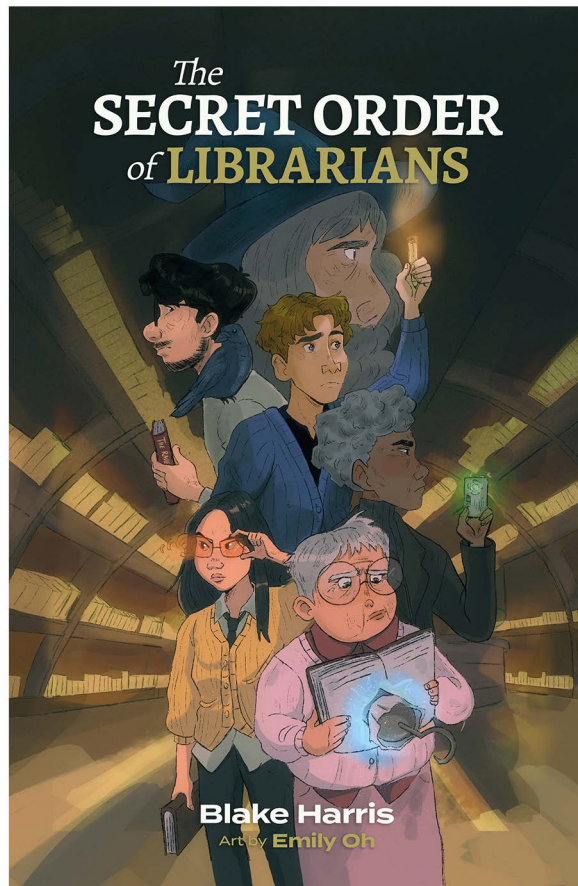

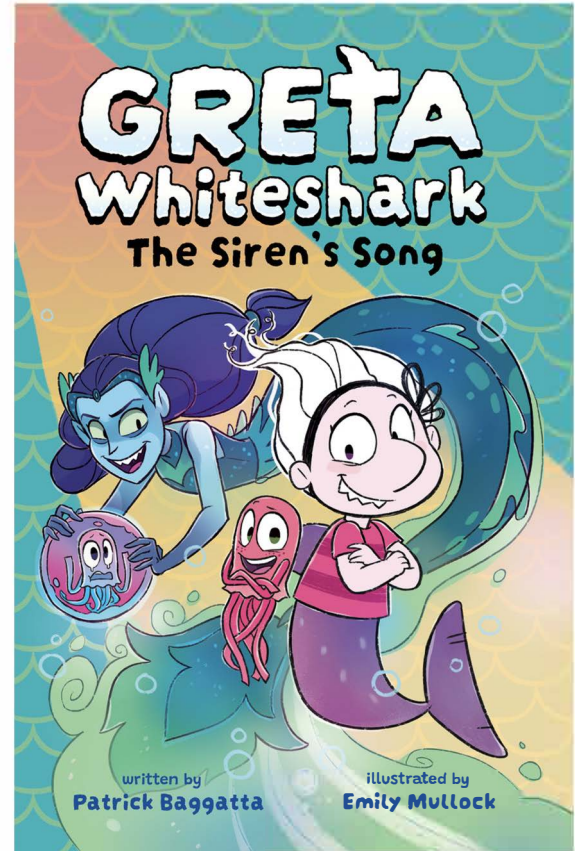

## Greta Whiteshark and the Siren's Song

Life has been good for Greta Whiteshark in Mermaid Cove. She has three amazing friends in Pearl, Nina, and Isla, and each day delivers a new adventure for the fin-some foursome.

But Greta's busy new life has left her oldest friend, Morgan, feeling left out. Fortunately, all that is about to change when Greta plans a special outing for just the two of them at the Famous Mermaids and their Pets museum exhibit, or at least that's what Morgan thinks. But Greta has also invited the Mermaids and their Pets for a big group hang. Morgan is seriously miffed. No, he's crushed. Fine, he's cruffed.

## The Secret Order of Librarians

Aspiring graphic novelist Dewey Page's world is changed when he uncovers the Philadelphia Library Company is part of a secret order tasked with protecting our world from the ones in books. When the most notorious characters in literature are mysteriously freed from their books, Dewey must team up with head Librarians Mildred and Erma to embrace his true identity, unlocking a powerful secret along the way. From hidden high-tech library headquarters and spellbound binding stamps to No. 2 pencils that erase gravity, The Order of the Librarians is a fast-paced, fantasy graphic novel that reimagines the true heroes among us, proving that a cardigan can be just as powerful as a cape.

978-1962447409 | 10" x 6.5" | 144 pages

## The Ocean Protectors: Colors of the Coral Reef

When sisters Sadie and Josie discover their once-vibrant coral reef has transformed into a graveyard of bleached coral, they are determined to save it. Fueled by their love for marine life, the girls rally their community to confront the warming oceans threatening their friends' underwater homes. Together, they race against time to restore the Coral Gardens, proving that small voices can spark big change.

978-1962447386 | 11" x 8.5" | 32 pages

Publication Date: November 2025

## Little Magic Angels : Keri's Big Heart

In a magical school high above Earth, little Keri is learning to become a guardian angel. Her special power, Empathy, lets her feel the emotions of others—especially in children on Earth who need encouragement. When Keri notices a girl named Sophia struggling with confidence before her school play, she tries everything she can think of to help her: stardust, kindness, even magical voice-boosting. But nothing works.

## The Boy and His Monster

As a young boy imagines his basement into a wonderful world of make-believe, he discovers that a very real monster lives there. The monster and the boy become best friends as they embark on extraordinary adventures together... until the day the young boy must grow up. Soon, the wonder-filled kingdom they've built turns back into an ordinary basement. The monster, not visited for years, grows lonely, and decides to seek out the boy. What he discovers will forever change the boy, the monster, and the world around them... igniting the power of a promise kept. A picture book celebration of love, friendship, and adventure.
