Ilona Andrews | THIS KINGDOM WILL NOT KILL ME

Epic Fantasy

Tor/Maggie the Undying #1

March 31, 2026

(Translation in France, Germany—NYLA; Other territories—Tor)

“Fans of Samantha Shannon, Danielle L. Jensen, and V.E. Schwab will love this.”—*Library Journal*, ***STARRED REVIEW***

“Strong characters, convincing world building, and simmering slow-burn chemistry”—*Booklist* ***STARRED REVIEW***

“If you thought Ilona Andrews was at the top of her career, you haven't read *This Kingdom Will Not Kill Me*. Exciting, complex, with indelible characters and a heroine who cannot die: loved it.”

— Charlaine Harris, #1 *New York Times* bestselling author

“Fantasy, romance, danger—this book has it all. Addictive. I need the sequel stat.”—Felicia Day, *New York Times* bestselling author

The page-turning politics of *Game of Thrones* meets the worlds-spanning romance of *Outlander* in this blockbuster new epic fantasy series from the #1 *New York Times* bestselling author duo Ilona Andrews. For fans of Samantha Shannon, Sarah J. Maas, and isekai and portal fantasy, *This Kingdom Will Not Kill Me* is the beginning of the most extraordinary adventure yet from genre powerhouse Andrews.

When Maggie wakes up cold, filthy, and naked in a gutter, she quickly recognizes Kair Toren—the city she knows all too well from the famously unfinished dark fantasy saga she’s been obsessively re-reading for years. Her only tools for survival in this brutal world of rival warlords, magic, and mayhem? An encyclopedic knowledge of the plot, setting, and every character’s ambition and fate. But while Maggie cannot be killed (though many will try), the same can’t be said for the living, breathing characters she’s coming to love: a former lady’s maid, a deadly assassin, a host of outrageous magical creatures, and a dangerously appealing soldier. Drawn into the schemes—and attentions—of dueling princes, dukes, and villains, Maggie must fight not just to stay alive but to change the cataclysmic coming events that could destroy the kingdom of Rellas.

(Translation: NYLA)

“Darkly gripping, with twists that kept me captivated! Jeaniene Frost is romantasy royalty!”—J.R. Ward, #1 *New York Times* bestselling author of the Black Dagger Brotherhood series

“A thrilling, sexy world of hidden magic and temptations. Frost delivers exactly my kind of romance.” —Geneva Lee, *New York Times* and international bestselling author of the Royals Saga and Filthy Rich series

“Trademark Frost! Storytelling at its finest! Brilliant world-building, fast-paced and full of steam. Unmissable...I need the next book now.”—Sophie Jordan, *New York Times* bestselling author of the the Firelight trilogy

***New York Times* bestselling author Jeaniene Frost returns with a brand-new series! It's *Beauty and the Beast* meets *The Witcher*, except Beauty hides a beast within.**

Raine Stone is hiding a terrible secret—a beast inside her. It feeds on violence and chaos, a hunger she barely controls by hunting criminals in the city streets. But when she uses its power to heal a stranger, she stumbles into a realm of barely contained mythic monsters alongside our own, and a sinister conspiracy to unleash them. Remington Byrne, the Warden of the gateways that keep the monsters in check (between worlds), knows Raine's Beast carries the power to tip the scales. Forced into an alliance, Raine and Remy must decide if they are enemies, partners, or something far more volatile. With desire as dangerous as the magic within her, Raine may be the only one who can save both realms—or doom them forever.

Jeaniene Frost | A STORM OF DRAGONS AND SORCERY

Romantasy

Bramble/Beautiful and Beastly #2

February 23, 2027

(Translation: NYLA)

Raine Stone thought mastering the Beast inside her would finally set her free—but instead it makes her a prize, caught between the lethal pull of Warden Remington “Remy” Byrne and the dangerous protection of a Fae prince who knows far too much about her power. When the hunt for a relic capable of raising the dead threatens to resurrect ancient gods and devastate both worlds, Raine is forced to navigate shifting alliances between mortals, monsters, and fae. Having learned to live with her Beast, Raine must now decide who to trust with her heart—and which choice might destroy everything.

Ilona Andrews | BEAST BUSINESS

Romantic Fantasy

Indie-published / *A Hidden Legacy Short Novel*

January 30, 2026

(Translation: NYLA)

A thrilling novella by #1 *New York Times* bestselling author Ilona Andrews, set in the spellbinding world of their *NYT* bestselling *Hidden Legacy* series.

Show as little as possible. Make them think that illusion is all you have. Your life depends on it.

Augustine Montgomery is an Illusion Prime, the highest rank of magic user. The people who have seen his real face can be counted on the fingers of one hand. The people who've witnessed the full extent of his power are dead. Illusion isn't just his brand of magic. It's become his lifestyle.

One day Diana Harrison walks into the office of Augustine's premier PI corporation. Diana is also a Prime, a mage who bonds with animals through her magic and prefers their company to humans. Something precious has been stolen from House Harrison. Something Diana must recover at all costs before it perishes.

Key Selling Points:

- **#1 *NEW YORK TIMES*, #1 *USA TODAY*, #1 *WALL STREET JOURNAL*, #1 *WASHINGTON POST*, #1 *AMAZON*, and internationally bestselling author**
- **Over 5 Million Ilona Andrews Books in print in 20 countries**
- **Over 2 million reviews/ratings on Amazon & Goodreads; social media reach of over 9 million, and massive fan base**

Augustine is cold, rational, and calculating. He doesn't get emotionally involved, but something about Diana disturbs the careful balance of Augustine's inner world. She asks for his help, and he can't refuse.

Neither Augustine nor Diana are who they appear to be. Both would die to keep their secrets. But the enemy they face is unimaginably powerful, and saving the life at risk will demand the ultimate price, one neither ever expected to pay—complete honesty.

Chinaza Bado | THE CALL OF CROWNS

Epic Fantasy

Harper Voyager / *Birth of a Dynasty*, Book #2

November 24, 2026

(Translation: NYLA)

Key Selling Points:

- Co-pub with Voyager UK
- Strong crossover potential for political thrillers
- CORE TARGET AUDIENCE:
- Readers of pure epic fantasy
- Readers of dark, violent fantasy
- Readers of political fantasy
- Readers of John Gwynne, Joe Abercrombie, and George R.R. Martin
- Paperback edition of Book One, BIRTH OF A DYNASTY, contains two new illustrations, receiving special publisher push to promote Book Two, THE CALL OF CROWNS

***Sunday Times* bestseller Chinaza Bado returns with this electrifying sequel to *Birth of a Dynasty*.**

In the tradition of *She Who Became the Sun*, this sweeping epic fantasy explores ambition, loyalty, and the brutal cost of power. The kingdom of Ahkelbulin is on the brink of war. Following a shocking death, the royal court is a viper's nest of ambition and betrayal. The princes, once united, now eye the throne with hungry gazes, forging dangerous alliances that could tear their dynasty apart.

In the heart of the palace, Zikora navigates the treacherous political currents. Far from home and concealing a powerful secret, she is drawn into a high-stakes game where one wrong move could mean her end. Elsewhere, a new commander, Khalil, finds his loyalty tested as he is caught between warring factions, forced to choose between duty and morality. And grieving a loss, Queen Esraa's quest for vengeance threatens to unleash a storm of chaos upon the kingdom.

As power shifts and loyalties are questioned, unlikely alliances will form and ancient powers will awaken. In a world where blood oaths hold immense power and the line between friend and foe is blurred, the struggle for the crown will demand unimaginable sacrifices. The very future of Ahkelbulin hangs in the balance, and not everyone will survive the call of crowns...

Grace Draven | THE MOON RAVEN

Romantic Fantasy

Indie-published / January 30, 2026

Standalone Prequel, *Blade & Dagger Trilogy* (forthcoming)

(UK & Translation: NYLA)

The Blade & Dagger Trilogy:

- Epic romantic fantasy set in the same myth-inspired world
- Book 1: The Blade Maiden
- Book 2: The War Maiden
- Book 3: The Dream Maiden

The standalone prequel to an exciting new trilogy about loyalty and longing from *USA Today* bestselling and viral Best of #BookTok author Grace Draven.

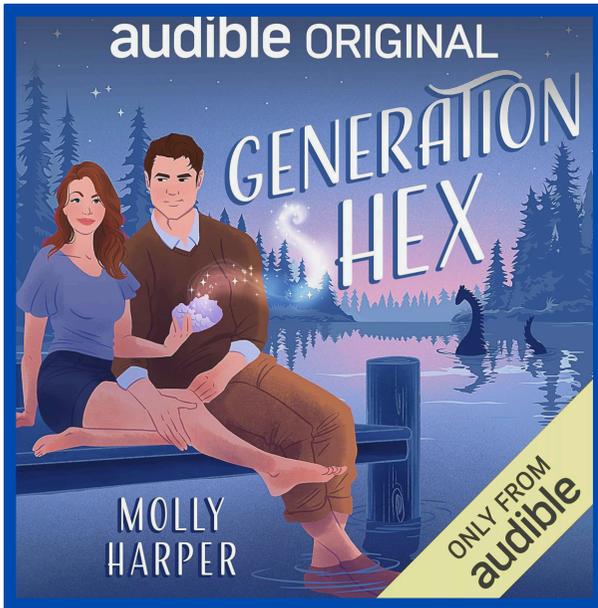

Disaris jin Gheza's rare gift for code-breaking means she must flee a conquering army and a fanatical cult, or become their prisoner and pawn. To evade capture, she will cross perilous territories and sorcerous borders, her aim, two-fold: rescue her sister from captivity and stop a goddess bent on remaking the world through destruction and bloodshed.

But she won't be facing danger alone. The battle mage known as the Moon Raven travels by her side. Once Disaris's best friend and lover, Bron is now an uneasy ally with a death bounty on his head for desertion.

Bound together by memories and a bond that they both believed broken, the two fugitives must outrun a deadly tracker, save a kingdom, and crush a savage deity—all without dying in the effort.

Molly Harper | HEX AROUND AND FIND OUT

Cozy Romantasy

Audible Original / Moonshadow Cove #3: March 26, 2026

NEW MAJOR PUBLISHER: Berkeley: Publishing in 2027

(UK: Berkley; Translation: NYLA)

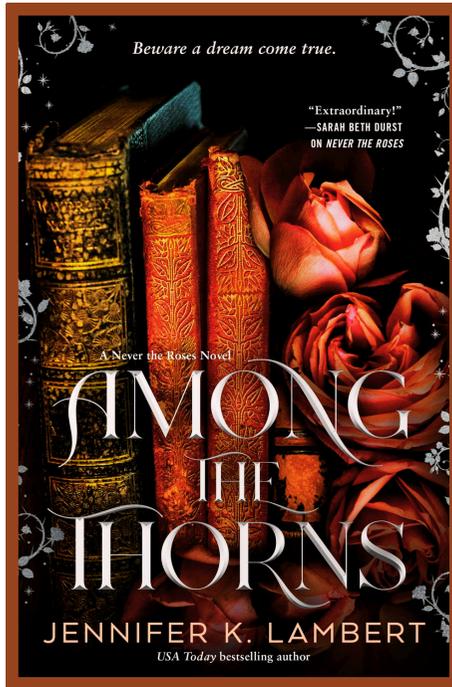

Key Selling Points:

- **New Major Publisher Partner:** Print and ebook rights to *Moonshadow Cove* were recently acquired by Berkley, boosting discoverability and expanding market reach
- **USA Today bestselling author** of over 40 paranormal and contemporary romance novels with an engaged readership across multiple series with over 290,000 ratings on Goodreads
- **Audiobook Favorite: #1** Audible bestseller and Audie Award finalist for *Big Witch Energy*

USA Today bestselling author Molly Harper delivers a spellbinding finale to the cozy Moonshadow Cove romantasy trilogy, where sisterhood, magic, and love are all put to the ultimate test.

Eldest sea witch Perry Seaworth has spent her life protecting her sisters and their island home—until James Huntingdon, a dangerously charming agent arrives on the island as both threat and temptation. When a centuries-old family feud ignites and a once-adorable baby sea monster grows impossible to contain, Perry and James are forced into an uneasy alliance that could cost them everything. Ideal for fans of *The Very Secret Society of Irregular Witches*, the novel will appeal to readers drawn to close-knit communities, cozy humor, and romantic fantasies where protecting home and chosen family matters as much as saving the world.

Jennifer K. Lambert | AMONG THE THORNS

Fantasy-Romance Standalone

Bramble/ July 16, 2026

(Translation: NYLA)

“Lambert...weaves a heart-wrenching tale of guilt and longing, with two star-crossed lovers finding much-needed absolution in each other, only to be forced apart once again. This captivating romantasy is a resounding delight and will leave readers dreaming of a sequel.”—*Library Journal* *STARRED REVIEW* for *Never the Roses*

"Love, magic, heartbreak, and healing." —Sarah Beth Durst, *New York Times* bestselling author of *The Spellshop*, on *Never the Roses*

Beware a dream come true...

Key Selling Points:

- Return to the USA Today bestselling world of *Never the Roses*
- Irresistible rivals-to-lovers tension: two rival sorceresses, political scheming, and a prince caught in a fateful love triangle
- Dark cottagecore atmosphere with morally grey heroines, tragic romance, animal companions, and exquisite yearning
- Highly collectible hardcover edition with printed endpapers, a case stamp, and a detailed map

Ambitious young sorceress Rose of Northbrooke is about to graduate. The only known dream sorcerer of her generation—and a remarkable one—she even has a prince trailing her skirts.

But when rumors of dream magic gone awry surface, Rose learns she’s not the only oneiromancer of her generation... and may not be the most powerful.

In a faraway cottage, Thorn has lived a quiet, isolated life, longing to be chosen, to be loved. When she discovers another dream sorceress who has everything Thorn has ever wanted, she hungers for more.

When Rose and Thorn meet, the outcome is clear: only one sorceress can claim the prince’s hand. Perhaps only one can live at all.

With the dreamlike magic of Erin Morgenstern and Genevieve Gornichec and the page-turning heat of Jennifer Armentrout and Sarah J. Maas, *Among the Thorns* is deliciously messy, lusciously romantic—and destined to pierce your heart.

Avon / *Silver & Blood Duology – The Conclusion*

November '26

(Translation: NYLA)

Key Selling Points:

- High-profile Avon lead title
- The conclusion to the *Silver & Blood* duology, blending fairy tales, fae, and the atmosphere of dark academia, cursed castles, and sizzling romance
- Combines the intensity of Jennifer L. Armentrout, the seductive danger of Holly Black, and the mythic sensuality of Scarlett St. Clair

“Silver and Blood is a riveting tapestry woven out of romance and magic; a fairy tale crafted by an expert storyteller. If you only read one fae romance this year, let it be this one.”—Ilona Andrews, #1 New York Times bestselling author

***“Gorgeously magical, funny, steamy, and swoonworthy, *Silver and Blood* is a lush delight!”
—Stephanie Burgis, author of *Wooing the Witch Queen****

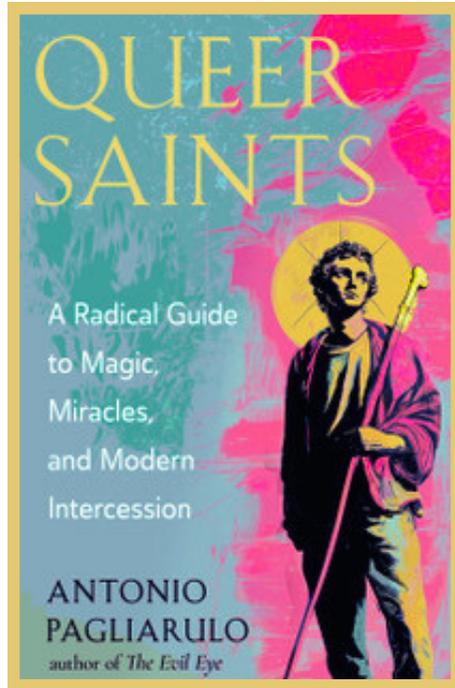

“Romantasy readers will devour this story of complicated curses, epic kisses, and captivating characters.”—New York Times bestselling author Jennifer Estep

When Riela breaks an enchanted seal, she unleashes magic that binds her to the ruthless intrigues of the Blood Court. Thrust into a world of shifting alliances, veiled threats, and assassination attempts, she must navigate the manipulative rule of the Blood King while mastering a power she never asked for—and may not be able to control.

Her only steady ally is the enigmatic Silver King, but even trust is a dangerous gamble in a court built on ambition and blood. As ancient magic stirs and long-buried secrets rise to the surface, Riela is forced to confront the truth of her heritage and the cost of claiming her place in a kingdom that would sooner destroy her than let her reign.

In a world where roses conceal thorns and secrets lie beneath stone, her choice will shape the fate of kingdoms.

Anthony Pagliarulo | **QUEER SAINTS,** *A Radical Guide to Magic, Miracles, and Modern Intercession*

Spirituality

Weiser Books / June 1, 2026

(Translation: NYLA)

An expansive, compelling look at saints' histories and roles and a forward-looking path to access the powers of old *and* new spiritual allies, in attaining life goals, self-empowerment and comfort. Antonio writes regularly about spirituality, and the intersection between magic, culture and religion for such publications as the *Washington Post*, NBC News, *New York Daily News*, *Time Out*, *The Wild Hunt*, and Religion News Service.

Saints derive from many spiritual, folk, and religious traditions. Pagliarulo reinvisions a wide range of saints that includes the traditional, such as Mary Magdalene, Francis of Assisi, and Hildegard of Bingen, as well as saints specifically for a diverse constituency, such as Saint David Bowie, Saint Freddie Mercury, Saint Momi Mabley, and Saint André Leon Talley as well as how to venerate them.

Both a primer on magical practice and a guide to radical transcendence and transformation, *Queer Saints* is a book with widespread appeal, accessible to readers of all faiths and belief systems.

Antonio Pagliarulo is the author of *The Evil Eye* (Weiser) and has a wide social following.

LITERARY SPECULATIVE FICTION

THE INNKEEPER

Blackstone Publishing | Fall 2027 (UK & Translation: NYLA)

For readers of *White Teeth* and *Sea of Tranquility*, with a hint of *Forrest Gump*—blending the emotional sweep of *The Time Traveler’s Wife* with the comedic savviness of V.S. Naipaul.

Almost everything seems to be going right for our nameless narrator from a secretive nation. But a bicycle crash leads him to a sprawling, antique-filled house, which he soon discovers is no ordinary bed-and-breakfast. It is a clandestine inn for a society of time travelers.

Though unable to travel himself, he becomes the unlikely innkeeper while juggling the absurdities of his day job and falling helplessly in love with a medical student visiting from five years in the future. His fragile equilibrium further collapses when he uncovers a devastating connection between the network of inns, his homeland, and his family’s past.

A dazzling debut that infuses a deceptively cozy speculative setting with sharp literary depth.

Pradeep Niroula grew up in Nepal and studied physics and fiction at Harvard. After graduation, while working at a startup, he lived in a bed-and-breakfast to save on rent, helping with chores—the setting that inspired *THE INNKEEPER*. Pradeep holds a PhD in physics and works as a research scientist in quantum computing and artificial intelligence.

- Established fantasy readership
- Strong indie-to-traditional crossover appeal

A charming and clever new cozy paranormal mystery series for readers of Naomi Cutter's *Retired Assassin* series, Juliet Blackwell's *Haunted Home Renovation* series, and Jim Butcher's *Dresden Files*.

A Gorgon looking for a fresh start, a witch who's lost her way, and a psychic unsure of her powers...

Take one quaint magical beach town packed with vacationing gods and monsters, throw in a bossy Valkyrie community organizer with a thirst for wacky festivals, a book club run by Death, and just a tad too many murders, and voilà! You've found the fun, friendly, town of Ordinary, Oregon. Does Ordinary have a slight murder problem? Sure. But it also has a gorgon, witch, and psychic ready to use their wits, will, and wiles to solve each unsolvable crime, and track down every unkillable killer...

White Lotus meets *You* in this wickedly funny, twisty marital thriller set in paradise.

Married doctors head to Hawaii on a romantic reset—each secretly plotting the other’s murder, one with the help of a hired hitman. But when botched timelines, shark attacks, helicopter mishaps, and inconvenient rekindled passion derail their carefully laid plans, the couple is forced to confront an unsettling truth: the only thing more dangerous than their marriage might be calling off the kill.

Smart, sexy, and darkly hilarious, this buzzy thriller is perfect for fans of Andrea Bartz and Jeneva Rose.
