Victim or Villain
 GWEN KANE | 5 BOOK SERIES

From the authors of the Maddie Castle series: She came to hide from her past. Now she must fight to protect her future.

Having escaped her abusive husband, Gwen Kane found safety at Rhiannon's Ranch, a secret refuge for survivors of domestic violence. Now she works at a local bakery and lives a quiet life among friends who share her scars. She's almost convinced herself the worst is over.

But when her best friend's abuser storms into their sanctuary, Gwen erupts in a flash of panic and rage—with deadly consequences. To protect the ranch, she must cover up the evidence of what she's done. But burying one body doesn't erase the past. And what's more, somebody witnessed everything . . .

As Gwen's fragile peace unravels, she's drawn into a romance with the one man who could either save or destroy her. With vengeance and justice blurred beyond recognition, she must decide whether she's still the woman that runs—or the one who fights back.

Perfect for fans of *The Girl on the Train* and *Big Little Lies*, *Victim or Villain* is an emotionally charged psychological thriller featuring a heroine readers won't soon forget.

CONFLUENCE ACADEMY | 4 BOOK SERIES

US & UK print and ebook **COMING SOON** from Forever and Hachette UK!

Nineteen-year-old Nessa Thorne expects death when she volunteers for Empire's selection. Instead, she's thrust into Confluence Academy, where students harness elemental magic and bond powerful beasts—from wolves to ancient dragons—forging themselves into the Empire's most lethal weapons.

Students are branded by affinity: water, air, earth, or fire. But Nessa's mark is different. A silver spiral—the mark of an unbound. It's a power so dangerous her kind were hunted to extinction centuries ago—or so the Empire claims.

To survive, she must hide what she is in a castle that reeks of blood, where students kill each other for advantage and failing to tether an elemental means death.

Nessa's greatest threat may be the only other volunteer—Raith Hollow, a powerful fire affinity whose scorching gaze follows her every move and whose secrets could topple kingdoms.

Alliances are forged in blood, enemies circle like vultures, and forbidden desires close in. Death once seemed like release from her tragic past. Now it's not an option. She'll embrace her terrible potential or watch everything she's fought for burn.

At Confluence Academy, students leave as weapons... or they don't leave at all.

Den of Vipers

A New York Times Bestseller with over 1 million copies sold!

Ryder, Garrett, Kenzo, and Diesel—the Vipers. They run this town and everyone in it. Their deals are as sordid as their business, and their reputation is enough to bring a grown man to his knees, forcing him to beg for mercy. They are not people you mess with, yet my dad did. The old man ran up a debt with them and then sold me to cover his losses.

Yes, sold me. They own me now. I'm theirs in every sense of the word. But I've never been meek and compliant. These men, they look at me with longing. Their scarred, blood-stained hands holding me tight. They want everything I am, everything I have to give, and won't stop until they get just that.

They can own my body, but they will never have my heart. I'm going to make them regret the day they took me. This girl? She bites too.

For the Fans

Over 20k copies sold of Podium's print re-release since September 2025!

They never even wanted to be stepbrothers—but now, in front of the camera, they're getting much closer—in this edgy, emotional story of forbidden passion that's perfect for fans of Heated Rivalry.

Avi's into old-school emo bands, true crime, and cryptids. And if not many others share his interests, he's cool with that, as long as he doesn't run out of weed. But then he moves from Brooklyn to Boston with his mom, which isn't a big deal . . . until she announces she's seeing someone and he happens to have a son Avi's age.

As his mom's relationship gets more serious, they all move in together, and under the same roof as his future stepbrother, Avi's never felt more out of place. Kyran's everything Avi isn't: athletic, popular, supremely confident—and undeniably hot. The only thing the two have in common is their opposition to officially becoming related. Oh, and they're both entering their freshman year at the same college.

At first, they're hopeful their very different social circles will minimize any on-campus encounters. But the more they try to avoid each other, the more a sizzling tension blazes up between the quirky artist and the control-freak quarterback with a traumatic past. Then, just when they think things can't get any worse, a family financial collapse leads the desperate pair to collab on a little content creation.

Behind closed doors, Avi and Kyran start making illicit videos that quickly bring in a steady stream of money—and wildly thirsty comments. But it's strictly a business partnership to pay for school . . . Isn't it? With their deepest secrets and desires stirring as they begin to rely on each other both on and off camera, they'll be forced to ask themselves: Are they really only doing it for the fans?

Dragon Found

THE DRAGON QUEEN | 3 BOOK SERIES

I never intended to bond with a dragon. I definitely didn't intend to become his wife. Now I must wed the Crown Prince, a man who is as cruel as he is handsome.

Yet, as soon as my dragon and I are presented to the king and queen, we are rejected. My dragon is not big enough, not good enough, and neither am I. So I'm shoved into the dragon rider corps to train to be a royal rider and told to find a husband among them. I know who I want: the four men who rescued me from ruin, who've protected me the entire time. And I don't want to take just one. The problem is dragons are power in this country; the last time a woman took four riders as consorts, she was queen. And Draven would never allow such a threat to his future reign to exist.

On the run after her heart's broken, Sam starts to wonder if she should have listened to her daddy's advice: don't get a vintage car until you know how to fix one. Now she's stranded—along with her dog, Nibbler—in a middle-of-nowhere town no bigger than a matchbox until she can get her 1965 Mustang repaired.

Jack, owner of the one and only mechanic shop in remote Homestead, Texas, is a tall drink of water. And Sam quickly recognizes she's his type from the glint in his pretty green eyes. So she's pleasantly surprised when he offers up the refuge of his grandmother's B&B, the Rose Garden, while he fixes what's under the hood.

Still, Sam intends to be on her way in a few days—but then Ms. Kathleen offers her free room and board in exchange for helping out at her flower shop. Distracted by the blooms that surround her charming new home, Sam starts to feel settled for the first time in forever. But when local bookstore owner Noah catches her eye, she's forced to confront her heartache head-on. Will she be able to let down her guard and trust again? Or will she follow her instincts and run for the hills?

I entered an arranged marriage so my sister, Ciara, could marry for love. Three years later, I'm a widow, and my father arranges for Ciara to marry Dominik Varga. The assassin slash arms dealer is as dangerous as he's quiet, which is very unnerving. I refuse to admit I'm drawn to his darkness. If I do, God only knows whether we'll survive the fire raging between us.

A SHROUD OF NIGHTMARES | 2 BOOK SERIES

Every nightmare comes with a cost.

A young woman discovers dark powers lie beneath her nightmares and that her life—and love—depends on her defeating her demons in this dark romantasy. Fey Masterson can't escape the darkness lodged in her mind. Awake or asleep, she's consumed by an anxiety that's wreaking havoc on her life. The paralyzing dread has stolen everything from her, leaving her yearning for a life of solitude. When she enrolls at a remote art institute deep in the Redwoods, Fey believes she's finally found sanctuary. Her nightmares only grow more intense, however, as a menacing beast stalks her throughout. Her sole balm is the powerful bond she feels with her mysterious mentor, Cillian, whose strange magic, familiar green eyes, and sharp tongue all have her questioning her desire to be alone. But as the two begin to fall more deeply for each other, a new threat arises. It seems a baneful witch seeks to unleash an army of monsters into the world, confirming Fey's greatest fear: her harrowing dreams are becoming a daunting reality . . . Now, Fey must wield ancient magic and prove herself capable of slaying these wicked enemies. Because if she loses her battle against the mighty demon who haunts her, the consequences could be dire not only for her and Cillian but the entire mortal world.

AUTHOR BIO

Gemma Ashborne writes dark romance stories across all genres. With an insatiable love for the macabre, she aims to show how we all have a little darkness in us, but that doesn't mean we can't be the heroes of our own stories. As a member of the community herself, LGBTQ+ characters are of the utmost importance in any story she writes.

KEY SELLING POINTS

- **#HORROMANCE:** Pitched as NINTH HOUSE meets ONE DARK WINDOW meets INCEPTION, the first in this dark fantasy romance series combines the heat of romance with the chills of the horror genre for a thrilling, steamy read!

Shae Sanders

The Last Man on Earth

An instant fan favorite! This Survival Romance released last October has over 5,000 4.6-star ratings on both Amazon and Goodreads!

Famous rapper Villain and his rowdy entourage are headed to his bachelor party in Brazil when his private jet crashes on a remote island.

The only survivors are he and Ariana, the beautiful, older, no-nonsense in-flight concierge who can't stand him. Stranded with no rescue in sight, they have no choice but to work together if they want to survive. What begins as a fragile truce soon ignites into passion and forges a path to trust, understanding, and a love neither of them expected to find. But when rescue finally comes, reality hits hard—the headlines, the scrutiny, their grief, and the fiancée and boyfriend they left behind. Ultimately, they realize they have to decide: Will they return to the lives they once knew, or fight for the new life they built together on that island?

AUTHOR BIO

I'm Shae Sanders and I practically cut my teeth on my big sister's Jackie Collins novels which I had NO business reading. But they stoked my love of edgy and steamy romance set against the backdrop of business and power. Now, I write romance too but my characters are black women like me. In my spare time, I read, watch TV, eat lots of sweets, and pretend I'm going to start a workout regimen tomorrow. Always tomorrow.

Enigma

WINSTON HILLS | 5 BOOK SERIES

Layanna James has mastered the art of healing broken hearts—except her own.

At forty, she's one of the world's top cardiothoracic surgeons, but the sudden loss of her husband Angel has left her emotionally hollow and clinging to the routine of a life that no longer fits.

Caleb Black knows grief intimately. A retired pro athlete, he once dreamed of traveling the world with his wife, Maria—until illness stole her from him far too soon. Now grounded in Winston Hills, he finds unexpected solace in the one woman who truly understands his pain: Layanna, his late best friend's wife.

What begins as comfort between two grieving souls slowly simmers into something neither of them saw coming—desire, laughter, and a connection too strong to ignore. But love isn't easy when it's tangled in the past. As Layanna and Caleb navigate their growing feelings, they must also confront long-buried family secrets and the guilt that threatens to pull them apart.

Concrete & Cadence

WELCOME TO STONEBRIDGE | 3 BOOK SERIES

Cadence Samuels has always believed in numbers, formulas, and solid foundations; after all, she's a Geotechnical Engineer who builds dams, not dreams.

After too many dating disasters and lukewarm talking phases, she's officially done gambling with her heart. She's a pretty, nerdy, plus-sized woman who adores what she sees in the mirror, even if she's convinced love isn't in her calculations.

Enter Khalil "Concrete" Reed, the millionaire, playboy, and an award-winning rapper whose charisma and charm are as legendary as his chart-topping hits. He's vowed never to face hardship again after losing his mother tragically young, and now he has it all: money, fame, and an endless line of admirers. But when Cadence's best friend Nova drags her to Atlanta for Concrete's concert, the superstar is instantly captivated by the smart, sassy beauty in a vintage OutKast tee who's as quick with her wit as she is with her curves.

Concrete is determined to build something real with Cadence, but she's convinced their worlds are too far apart—a romance between them could only end in a catastrophic collision. Will Concrete's relentless pursuit and undeniable charm break down the carefully constructed dam around Cadence's heart, or will she calculate that love with him is just too great a risk?

BUGROV BRATVA | 2 BOOK SERIES

Bestselling author with over 2 million copies sold in the last 12 months!

My gorgeous neighbor just found my box of “personal toys.”
And my mission to steal them back... ended in his bed.

It was supposed to be a joke: Give my best friend raunchy toys for her bridal shower and embarrass her in front of her family. But when my package is wrongly delivered to my gorgeous, mysterious neighbor, I’m the one who ends up mortified.

I sneak over to his place to try stealing it back before he finds it. The problem is I get caught mid-heist... And then he makes me stay for dinner.

Dinner leads to dessert, and dessert leads to... other dessert, if you get my drift. Several courses of sweet, sinful temptation.

In my defense, he’s even more gorgeous up close than he is from my bedroom window.

When I finally get back home the next morning, I open my stolen prize. But it seems I grabbed the wrong package. And the violent mess I find inside will change my life forever.

Turns out my hot neighbor is a Russian Bratva boss with some deep, dark secrets.

Turns out he got me pregnant, too.

A heart-pounding motorcycle club-set romantic suspense with over 70,000 copies sold!

I'm fake dating the boss of the Zarkov Bratva—what could possibly go wrong?

Lev Zarkov is a real-life monster.

No, correction, he's actually the devil.

Except, when I first meet him, he's simply the mysterious, handsome man traveling next to me on a first-class flight to New York.

And after being dumped at the altar by my loser fiancé who vanished into thin air the morning of our wedding, when things get flirty between me and the mysterious stranger, I think, why not?

Surely, I deserve one night to forget. I mean, where's the harm in a little indulgence, right?

I'll tell you exactly where the harm is. It turns out my one-night stand is not only the pakhon of the Zarkov Bratva, but he's also a billionaire who is used to getting what he wants... and what he wants is me with his ring on my finger.

I'm to appear in public as his fake fiancée, and in return, my loser ex will get to keep his brains inside his head.

Every instinct tells me I don't want to do this.

But Lev Zarkov can be very persuasive...

STEEL DEMONS MC | 10 BOOK SERIES

With the first book selling over 60,000 units alone, the Steel Demons MC series delivers what genre readers want: rugged bikers, forbidden desires, and irresistible allure!

Diesel, Steel Demons MC Prez, never saw it coming—a surprise son and his stunning guardian storming his heart like a hurricane, smashing the walls he thought were unbreakable.

Serious relationships? Not my usual ride.

As the Prez of the Steel Demons MC, my life has always been all about the thrill of the chase. But lately, those club bunny flings ain't cutting it. Deep down, I crave something more real, something with meaning.

Then, outta nowhere, my past roars back. A night from five years ago, a hazy memory, and in a flash—a son I never knew about.

This is how Ellie comes into my life, the game-changer. Her sister's vanished, and she's been raising my kid all by herself. The moment I lock eyes with Ellie, I'm hooked.

I know she's mine.

But life's got a way of throwing curveballs. With Ellie, it's not just about a newfound desire; it's about stepping into a world of danger that clings to her like a shadow. But here I am, proving that this dirty biker can be her knight in tarnished armor and the perfect pop for our boy.

Can I make her see we're meant to ride together before it's too late?

AUTHOR BIO

An author of captivating and addictive bad boy romance tales, Sarina Hart writes books filled with intrigue, danger, and hot-blooded anti-heroes. An avid biker, Sarina, used to go for the bad boys - until her geeky Prince Charming swept her off her Harley Davidson.

They now reside in Silicon Valley where her husband builds his digital empire out of their garage while Sarina creates kingdoms full of dark and twisted characters in her books - all while raising her twin daughters and tending to a truckload full of foster cats.

Camilla Evergreen

Falling in Love with My Vampire Cat

THAT'S (PARA) NORMAL | 6 BOOK SERIES

For five long years, I didn't know my cat could turn into a vampire.

That means I've spent five long years squishing little black toe beans, participating in all-night cuddles, and calling a full-grown man my itty bitty stinky kitty baby.

When my near-death experience forces Zylus Myrkur to tell me the truth about how magic is real, I nope my way right back into my fish bowl. I will not be participating in any tropes, thank you.

This is not a fish out of water, enemies to lovers romantasy. This is me—a barely functional adult—attempting to live my best life, which consists solely of reading books, eating cheese, and falling asleep on the couch. It does not include making friends with werewolf chihuahuas, meeting a moth faerie prince, or defeating a boogeyman.

And it absolutely, completely, most definitely does not include falling in love.

AUTHOR BIO

Camilla Evergreen writes sarcastic, chaotic romcoms full of singular beds, secret obsessions, and neurodivergent traits. She uses the accessibility of romantic comedy to extend a simple, but important, message to anyone who finds her: No matter what, you are not alone.

Anastasis Blythe **The Assassin Bride**

THE KING AND THE ASSASSIN | 3 BOOK SERIES

Perfect for fans of The Serpent and the Wings of Night, Sylvia Mercedes, and Elise Kova who love dark, swoon-worthy heroes and a slow-burn romance.

It is said that the Neverseen King comes for a bride every hundred years.

I thought it was only legend—until he came for me.

I am one of twelve assassins forced to compete for the hand of our unseen king, who I'm beginning to doubt is even human at all.

Why he needs a bride, much less one who wields a blade isn't any of my business. All I'm trying to do is get out of here with my life and my heart intact. I don't want to care about the mysteries I begin uncovering about the king, about why he never shows his face, about his palace that turns into a nightmare after dusk. I'm just trying to escape.

But apparently, my choice is to win this competition or die. I'm not dying. And I'm definitely not falling in love with the Neverseen King.

AUTHOR BIO

Anastasis Blythe makes her home in central Texas with her husband. When she's not writing, she gardens, accompanies local bands and choirs on piano, rescues feral cats, and tries to keep up with the laundry. She loves exploring the world through reading, walks in nature, and thoughtful conversations.

Shona Knight
My Prison PenPals
THE UNDERTAKERS | 3 BOOK SERIES

One to watch in Dark Romance: Perfect for fans of Morgan Bridges and K.A. Knight.

My brother says he only wants what's best for me.

He says the world is dangerous. That I'm safer at home.

That he'll teach me everything I need to know.

I believed him.

Until the day I found a letter that changed everything.

He had made a deal with the devil—one that traded my future for his power.

So I ran.

No plan. No destination. Just one final letter to the four men who had accidentally become my closest and only friends.

My prison penpals.

I never expected them to come looking for me.

I certainly never expected them to find me.

And I definitely didn't expect them to be equal parts appealing as they are terrifying.

They're dangerous, obsessive, and unapologetically mine.

And when my past catches up to me, they're the only ones willing to burn the world to keep me safe.

Four men who should have been a mistake—might just be my salvation.

AUTHOR BIO

If you love a reverse harem story with heart, heat and happily ever after, then you've come to the right place! I write full length MFMM+ why choose stories that vary from fantasy to contemporary to paranormal! The FMC will always be the main focus of her men. THE KNIGHTS SERIES | 3 BOOK SERIES

A growing voice in the Sports Romance space, Mexican-American author, E. Salvador, brings a new kind of spice to beloved genre tropes with over 14,000 4-star ratings on Goodreads.

Meeting during senior week on the day of their birthdays was pure coincidence.

It was supposed to be nothing more for Lola Larson and TJ Kingston than three days of fake dating before going back to their everyday lives. Not thinking they will see each other again, they part ways without getting each other's last names or phone numbers.

Two years later, they're in college, where they meet again. However, their priorities are different from the last time they saw each other.

TJ wants nothing more than to enter the draft and play for the NBA. It's all he's worked hard for and has made sure that nothing and no one hinders him from achieving his dream. That is until he sees Lola again, and realizes that basketball is no longer his sole priority when he finds out he has a kid.

Revenge Puck

SHOT AT LOVE | 3 BOOK SERIES

A Fake Dating, Grumpy Sunshine Hockey Romance for fans of The Deal!

After Elle Townsend is dumped by her hockey star boyfriend Christian Riley on the eve of the championship playoffs, she devises a plan for sweet revenge—a fake romance with Christian's arch-rival.

Preston Lawrence takes his hockey career very seriously because brawling on the ice is the only thing he's good at. With the championship trophy and his contract extension on the line, he needs to figure out a way to control his temper that always flares and gets him ejected whenever he faces his rival.

So, when a heartbroken blonde asks Preston for a photo with him to try to make Christian jealous, he raises the stakes. Known for avoiding the spotlight, Preston kisses Elle in front of a crowd of sports reporters, certain the video will go viral.

Christian and Preston have a complicated history. Their rivalry intensifies further when they begin to fight over Elle.

As Elle and Preston grow closer, secrets unravel, causing Elle to question if Preston's feelings are genuine or just a part of his revenge plot against Christian.

Will Preston be able to convince Elle that his feelings for her are real, or will Christian find a way to win her back?

Adalyn

Never did I imagine that my four-year marriage would abruptly end after the revelation of my husband's devastating secret. The emotional toll left me with no option but to move away from New York City and start over somewhere new.

Fate led me to Harbor Falls, a charming and serene town nestled in South Carolina. It was the perfect place to fulfill my dream of opening an art gallery and starting a new chapter of my life. Unexpectedly, I crossed paths with Colin Young, a ruggedly handsome man who owned the Seaside Bar & Grille—a man who was also the town's handyman.

Skilled at fixing things, he set out to mend my broken heart. But the question was: would I allow him to repair it, or would I let my past dictate my future?

Colin

No stranger to heartbreak, I spent the last two years healing my wounds until Adalyn Richards entered my bar, instantly captivating me in a way I hadn't experienced in a long time, if ever.

Adalyn relocated to Harbor Falls for a fresh start. She became the focus of my attention, and the more I got to know her, the more time I wanted to spend with her. Fully aware of her shattered trust in men, I was determined to show her that I was trustworthy and capable of mending her broken heart. Despite the challenges, I refused to give up until I made her mine.

AUTHOR BIO

Sandi Lynn is a New York Times bestselling author who writes romance that will whisk you away into another world and from the daily grind of life, one book at a time.

She has written multiple bestselling series, including the Forever Series, which has captured the hearts of readers worldwide. Writing romance is her passion. With over sixty books published, she doesn't plan on stopping.

Kristy Marie

A Vicious Proposal

THE FALLEN KINGS OF EDEN | 4 BOOK SERIES

Bestselling Author Kristy Marie brings you a morally gray hero who sentences his past love to six years of marriage to serve as punishment for her betrayal.

I knew him only as Van Gogh.

A tortured artist who owned the night as he moved through the shadows, cloaked in hate and madness.

He was a vicious vigilante—a serial arsonist who thrived on the fear he triggered with a single match between his tattooed knuckles.

We were told to lock our doors and stay inside. I wanted to. I really did.

But then I saw his eyes, burning like embers as he watched me through the smoke. And like the flames at his feet, I delighted in his attention.

I became his muse. His passion. His obsession. His perfectly flawed flower.

But that was years ago. Before my seaside town became his canvas. Before the ashes of my enemies became his paint. Before he hated me... and made me his wife.

AUTHOR BIO

Kristy Marie is an international bestselling author who loves writing temperamental heroes who fall hard for strong and witty heroines.

She enjoys annoying her three children and husband for all the hugs and will attempt to grow anything green. She also reads all things romance and can be caught being naughty by enjoying a chapter or two before her 9 p.m. bedtime.

When Kristy's not writing broody alphas or hugging babies, you can catch her in pajamas watching baseball and yelling at the TV. Go Braves!

BITCHCRAFT | 2 BOOK SERIES

The Devil Wears Prada, but with witches!

In a witty urban fantasy for fans of *The Devil Wears Prada*, a hapless barista becomes embroiled in a world of business, backstabbing, and . . . the occult?

As a twenty-three-year-old college dropout, Clark Crane has nothing to show for himself but three dead-end jobs. So when he becomes the unlikely intern for enigmatic celebrity Charisma Saintly and her “coven” of personal assistants, he’s prepared to do whatever it takes to succeed. Only, he has no idea who—or what—Charisma really is . . .

Clark runs headfirst into this new world of midnight rituals, deadly rivalries, and notes passed furtively between Charisma and her VIP clientele. Soon, a mysterious maid warns him to “get out now,” while he still can, but romance is budding with someone he met on the job. Clark isn’t sure what to do or who to believe. After all, he’s told a million girls would kill to be in his position.

But when he witnesses Charisma firing one of her assistants by murder and magic, Clark knows one thing’s certain: his boss can be a real witch! It seems no one just quits her glamorous web. Will Clark unravel the coven’s secrets and survive to tell the tale?

Second to the Right

THE NEVERLAND CHRONICLES | 3 BOOK SERIES

A #BestofTikTok dark fairytale retelling featuring Peter Pan and the Lost Boys, The Neverland Chronicles series has sold over 75,000 copies to-date!

Gwendolyn Mary Darling Carlisle's young life has been a saga of misfortune.

After a tragic accident unexpectedly took her parents, Gwen found herself the sole caregiver for her ailing sister. It's her eighteenth birthday, but with responsibilities weighing heavy, she struggles to find something worth celebrating. Everything in her life has fallen apart. That is until she finds a mysterious man in her bedroom.

Peter Pan has returned to the Darling estate. The boy from Neverland, who refused to grow up, has, in fact, grown into an alluring man. It's time for spring cleaning, and he's determined to bring a descendant of Wendy's back to Neverland with him.

Gwen is swept off her feet and across the veil to be engulfed in a fantastical world of mermaids, Fae, and Peter's new band of Lost Boys. As she gives herself over to the wonder of Neverland and the affections of Peter and his Lost Boys, she finds herself living out hedonistic fantasies that she could have only ever dreamed about.

But not everything is as it seems in Neverland. Her memories of home and her beloved sister are fading. A treasured family heirloom, a locket with its own ties to Neverland, is the only tether to the sister she left behind and the life she is obligated to return to. The fairytales she'd heard as a child only hinted at the truth. Neverland bears some dark secrets.

AUTHOR BIO

T. S. Kinley is a passion project created by two sisters with a shared obsession and vision. We came together with the dream of creating something beautiful, imaginative, and yes... SEXY.

Once upon a Time... it all began with sisterly gossip about erotica and romance novels. Our conversations quickly became fantasies about our own desires to author such work. We would muse how some day in a utopian future, our fantasy would become reality. Ultimately we decided rather than wait for the future to find us, we would create utopia ourselves. Using our love of books, natural gift of creativity, and some savvy study on publishing itself, the concept for our very first book was born.

T.A. Lawrence

A Word So Fitly Spoken

THE SEVERED REALMS | 5 BOOK SERIES

Christened the #BestofBookTok, enter the world of T.A. Lawrence in this series of fable and fairytale retellings, full of love, sacrifice, and betrayal.

One stunning bride. One wedding. One night with the king.

One execution come morning. Rinse and repeat.

When the fae king of Naenden returns home to his palace only to find that his human queen has committed treason by conspiring to assassinate him, he has the queen executed and decrees that once every mooncycle, he'll marry a human woman from the kingdom, only to execute her the following morning.

Unless one woman offers herself as a sacrificial bride for the rest.

Asha isn't worried about being chosen, of course. The decree was quite clear about beauty being among the top criteria for being selected as one of the king's unfortunate brides. Asha is no beauty thanks to the illegal magic that inhabits her body, leaving her scarred and missing an eye. The same magic that occasionally possesses her voice so it can amuse itself by telling a never-ending story with a string of horrible cliffhangers.

The problem is Asha might not be a beauty, but her sister Dinah is. When Asha realizes Dinah is in danger of being selected as the king's sacrificial bride, Asha decides she can't live with that risk. So she offers herself instead.

Except on the night of their wedding the king grants Asha a final request. Naturally, she asks to tell her sister one last bedtime story. Naturally, the king eavesdrops.

The Song of the First Blade

THE BLADEBORN SAGA | 7 BOOK SERIES

For fans of The Bound and the Broken, a sweeping epic fantasy adventure where Game of Thrones meets Assassin's Creed.

An ancient evil. A treacherous king. A mystery going back to the fall of the gods.

In the heart of Vandar, as dark forces close in, Elyon, a gifted Bladeborn knight, fights for his family's survival in a world on the brink of war. In the beleaguered northlands of Tukor, a servant girl with a mysterious past is forced on the run by a treacherous lord, propelling her on a journey that will change her world forever. From the Shadowfort, an ancient power is unleashed, one that will set into motion a series of events that will bring the world to its knees.

With the world on the verge of chaos and countless lives at stake, a new First Blade must be selected, but obstacles stand in the way. Alliances are broken. Enemies are born. Only the strong will survive.

AUTHOR BIO

T.C. Edge (Toby to his friends) grew up in the lush green countryside of Southern England with 2 parents, 3 brothers, and a whole farmyard's worth of animals.

As an avid movie fan, Toby likes to create highly cinematic books where he can truly let his imagination run wild. So instead of writing stories based in the 'real world' he creates worlds of his own, casting his mind ahead hundreds of years to present alternate visions of the future. His dystopian realities are typically harsh and brutal, and often contain characters with wonderful abilities and powers.

Sasha Pierce hasn't had a single dream since she was a child...until she accepts a substitute teaching position in the charmingly witchy village of Old Middleton. Her first dream in twenty-five years ought to be enchanting, but her wonder quickly turns to shock when she realizes that it's not a dream at all, but an entirely different sort of magic.

Catapulted through an ancient portal into the fairytale kingdom of Between, Sasha's astonishment is swiftly upgraded to panic when she accidentally performs a supposedly impossible feat and is declared the True Queen of Between...and betrothed to its infuriatingly handsome sorcerer king.

Lorn, Shadow King of Between, is desperate to break free from Between's clutches. Magically tethered to the ramshackle kingdom, he wages a daily battle to save his disreputable subjects from rampaging magical creatures, sinkholes, and catastrophes of the distressingly lethal variety. To avoid an early grave, he needs an escape plan, not a wife...until he learns that this magi-cess mortal holds the key to his freedom.

Unwilling to leave her world to accept the crown—or the husband—Sasha must race against the clock to disentangle herself from this fairytale. But her empty throne leaves a dangerous rift between their worlds. As dark forces descend upon Old Middleton, the two must make a choice: work together or unleash fairytale chaos upon their realms.

AUTHOR BIO

L. L. Starling is an Australian who lives in Madison, Wisconsin—right in the midst of the deliciousness that is 'America's Dairyland.' A writer by day (free-range, forest-dwelling swamp witch by night), she loves small dogs, bucket-sized iced lattes, glitter and crowns of all sorts, Wonder Woman, Bowie, smiting all those who oppose her plans for world domination, and the music of the 80s (especially the power ballads, which she sings into her hairdryer on the 'cool' setting so that her hair blows around in a suitably epic fashion).

Schooled in Magic

SCHOOLED IN MAGIC | 23 BOOK SERIES

A captivating blend of fantasy and coming-of-age adventure, ideal for fans of magical school stories like Harry Potter and The Magicians.

Emily is a teenage girl pulled from our world into a world of magic and mystery by a necromancer who intends to sacrifice her to the dark gods.

Rescued in the nick of time by an enigmatic sorcerer, she discovers that she possesses magical powers and must go to Whitehall School to learn how to master them. There, she learns that the locals believe she is a "Child of Destiny" - someone whose choices might save or damn their world, a title that earns her both friends and enemies.

A stranger in a very strange land, she may never fit in to her new world, and the necromancer is still hunting her. If Emily can't stop him, he might bring about the end of days.

AUTHOR BIO

Christopher Nuttall has been planning sci-fi books since he learned to read. Born and raised in Edinburgh, Chris created an alternate history website and eventually graduated to writing full-sized novels. Studying history independently allowed him to develop worlds that hung together and provided a base for storytelling. After graduating from university, Chris started writing full-time. As an indie author, he has published fifty novels and one novella (so far) through Amazon Kindle Direct Publishing.

Professionally, he has published The Royal Sorceress, Bookworm, A Life Less Ordinary, Sufficiently Advanced Technology, The Royal Sorceress II: The Great Game and Bookworm II: The Very Ugly Duckling with Elsewhen Press, and Schooled in Magic through Twilight Times Books.

Into the Labyrinth
MAGE ERRANT | 7 BOOK SERIES

Bestselling coming of age, magical academy series.

Hugh of Emblin is, so far as he's concerned, the worst student that the Academy at Skyhold has ever seen. He can barely cast any spells at all, and those he does cast tend to fail explosively. If that wasn't bad enough, he's also managed to attract the ire of the most promising student of his year- who also happens to be the nephew of a king. Hugh has no friends, no talent, and definitely doesn't expect a mage to choose him as an apprentice at all during the upcoming Choosing.

When a very unusual mage does choose him as apprentice, however, his life starts to take a sharp turn for the better. Now all he has to worry about is the final test for the first years - being sent into the terrifying labyrinth below Skyhold.

AUTHOR BIO

John Bierce is a fantasy novelist, history and science buff, SFF fan, and general all-around dork. He travels the world full-time as a digital nomad, and has an unhealthy obsession with geology.

C. D. MacKenzie

Terragnata and the Heir of the Earth

TERRAGNATA | 4 BOOK SERIES

A new adult dragon shifter romantasy series from debut author C. D. MacKenzie. Perfect for fans of A Court of Thorns and Roses, Fourth Wing, and The Serpent and The Wings of Night.

Her true power lies dormant inside her, only to be discovered when everything she knows is lost.

Terra stands on the brink of an unremarkable and unwanted life. That is until a shockingly beautiful stranger with dark intentions turns the village's matchmaking ceremony into a night of bloodshed, leaving her family dead and revealing a power within Terra she cannot comprehend – or wield.

When an unlikely band of not-so-human rebels reveals her true nature and the keys to her forgotten past, Terra is thrust into a magical world beyond her wildest imagination.

The Fae befriend her.

The Witch teaches her.

The Dragon Shifter sets her aflame.

Embarking on a journey of vengeance, burning romance, and inevitable betrayal, Terra ultimately uncovers a web of lies that binds her to a fate far greater than the revenge she seeks.

AUTHOR BIO

C. D. MacKenzie is a 29-year-old professional living in the hills of San Francisco with her partner and a cockapoo puppy named Dobby.

While she works a day job, her heart has always been rooted in the world of imagination. She grew up reading Harry Potter, watching Vampire Diaries, and generally exploring excellence in the art of daydreaming. In 2017, she devoured her first Romantasy novel (SJM, of course). She's been hooked ever since.

Beau Savage
Just Play Along

Survival isn't always fight or flight.

When tragedy strikes, Erin races to the hospital to be by her brother's side—but never makes it. A flat tire on a lonely road. A stranger with a kind smile. A car ride straight into a nightmare.

She awakens in a child's bedroom. Pink walls, glittery drawings, a collection of dolls... and no way out. Erin's captor offers her a mind-boggling proposition: play the part of his sickly sister, and in return, Erin will be freed when all is said and done.

But the truth is far darker than Erin imagines. This house hides many deadly secrets, and she will need to rely on more than basic instincts if she hopes to escape. Because survival isn't always fight or flight.

Sometimes you must play along to stay alive.

AUTHOR BIO

Beau Savage lives in a windowless room with a typewriter and nothing else. When he finishes a story, he hands the manuscript over to the furry cat paws reaching under his door. What happens after that, no one knows.

He also writes supernatural horror as Abe Moss... if you're into that kinda thing.

Where No One Can Hear You

THE SURVIVOR STORIES | 2 BOOK SERIES

Sometimes silence is more terrifying than screams.

Sixteen-year-old Amanda Gray's life shatters when what should have been a simple walk home with her best friend, Sarah, turns into a nightmare. One moment they're picking bluebells in the woods; the next, they're at the mercy of a predator who seems chillingly familiar with his routine.

Six weeks later, Amanda wakes in a hospital bed with a slash across her throat, her voice stolen, and no memory of how she escaped. And no one will talk to her about Sarah.

And the worst part?

Her most crucial memory might be the one she can't speak.

Where No One Can Hear You is a haunting exploration of survival, memory, and the lengths one will go to save someone they love—even when they can't save themselves.

The Favorite Girl
 THE FAVORITE GIRL | 2 BOOK SERIES

Every family has secrets—dark ones, twisted ones, ones they hide.

The Ivory family is no different. From the outside of their gated estate, one would see a beautiful, wealthy family. But the more perfect they seem, it only shows how many imperfections they are trying to bury. When Demi Rao, a young woman, is at her wits' end and on the run from escaping her captor, she comes across an employment ad from the Ivory family, looking for someone to help maintain their elaborate estate. Although the ad is strange with meticulous directions to wear all white, no makeup, and speak quietly, Demi applies. With no choices, Demi gets and accepts the job, and when she does, she quickly realizes she's not there to clean; she's there for a purpose. They picked her. They chose her. They've always known her. Behind the doors of the pristine estate lie secrets, a lethal human experiment, and Demi's entire life planned out for her.

The Ivorys have picked a favorite girl.
 And it might just be her.

THE POOKA WOMEN'S CLUB COZY FRIENDS MYSTERY SERIES | 3
BOOK SERIES

*****LONG-LISTED for the MURDER & MAYHEM BOOK AWARD***
A funny, heartwarming, twist-filled mystery series for fans of Peter Boland.**

A small-town scandal. A stolen fortune. And a women's club with nothing to lose.

Biddy Bramley never expected to return to Pooka, Indiana. But after her husband's death, she's back in her hometown—grieving, restless, and drawn into a decades-old mystery involving her estranged sister and claims to a stolen pottery fortune.

The town says her sister is delusional. Biddy isn't so sure.

Determined to uncover the truth, Biddy forms the Pooka Women's Club—a makeshift amateur detective team, including a bartender, an exhausted mom, a street-wise woman working off her community service, and Biddy's own reluctant daughter. As the unlikely allies dig into Eileen's past, they stir up more than just old grudges. Someone in Pooka has secrets worth killing for.

Lethal Defense

NATE SHEPHERD LEGAL THRILLER SERIES | 8 BOOK SERIES

A client savagely kills a man to protect a friend. A lawyer with secrets must prove it was justified.

Attorney Nate Shepherd left a big firm to go out on his own. He sees nothing but opportunity when an out-of-town lawyer wants to hire him as local counsel on a high-profile murder case. Though his family worries that the case hits too close to home, Nate joins the defense team.

When circumstances force him to take on a bigger role, Nate ignores his family's fears and throws himself into his client's defense. But as he digs deeper, every aspect of the case raises memories of a terrible event that Nate has tried his best to bury.

Battling an aggressive prosecutor in court and a dogged reporter outside it, Nate fights to prove that his client's brutal, bloody slaying of an evil victim was right. But when Nate's own story is exposed, it threatens his client's freedom...and Nate's carefully constructed life. Can he fend off his own demons long enough to save his client?

AUTHOR BIO

Michael Stagg was a civil trial lawyer for more than twenty-five years. He has tried cases to juries, so he's won and he's lost and he's argued about it in the court of appeals after. Michael was still practicing law when the first Nate Shepherd books were published so he wrote them under a pen name. He writes full-time now and no longer practices, but the pen name has stuck.

Michael and his wife live in the Midwest. Their sons are grown so time that used to be spent at football games and band concerts now goes to writing. He enjoys sports of all sorts, reading, and grilling, with the order depending on the day.

Abe Moss
Sanguine Summer

The guest in Room 10 is starving.

Deep in the backwoods of Brewster, Tennessee, the Silver Lining Motel has long been a refuge for the lost and the damned. But never a guest like her: a woman with mesmerizing eyes, beastly fangs, and a deadly appetite. Her arrival is no coincidence, and her monstrous plans will soon ripple through the lives of three unsuspecting strangers.

A male escort in pursuit of independence, no matter the cost. A dollar store cashier with an unhealthy fixation. And a married man whose double life promises to be his undoing.

As their fates converge at the lonesome motel, the guest in Room 10 watches. Waits. Hungers. The darkness is her playground. The night is still young. And their nightmare is only just beginning...

Experience true Southern Gothic terror in *Sanguine Summer*, a spine-chilling tale of hope and loss, obsession and retribution, and bloody vampiric horror!

AUTHOR BIO

Abe Moss has been writing horror stories for as long as he can remember, and hopes to never stop. With each book he writes, he hopes to try something a little different. The possibilities are endless and that's what he really loves about storytelling. He hopes you'll enjoy his stories, too!

He also writes suspense thrillers as Beau Savage... if you're into that kind of thing.

A remote lake house. A wolf in sheep's clothing. A terrifying fight for survival.

Three years after losing her teenage daughter, with her marriage on the brink of unraveling, Barbara needs a break—time away, time alone, time to process. The lake house is perfect. It's quiet, remote, picturesque, and best of all, she has the whole place to herself.

Or so she thinks...

AUTHOR BIO

Beau Savage lives in a windowless room with a typewriter and nothing else. When he finishes a story, he hands the manuscript over to the furry cat paws reaching under his door. What happens after that, no one knows. He also writes supernatural horror as Abe Moss... if you're into that kinda thing.

Richard Thomas
Incarinate

“Reading Incarnate is a visceral experience—weird cosmic horror at its purest. Brutal and unforgiving, Thomas’s novel is epic in its scope and ideas.” —Sam Rebelein, Bram Stoker Award-nominated author of Edenville

In a frozen tundra, a sin-eater fights for redemption and absolution as monstrous creatures ravage a community already struggling to survive.

Sebastian Pana is a sin-eater, a shaman-like figure who can absolve the dead of their transgressions before they move on to the afterlife. But when a tear in the fabric of reality allows hideous beasts to invade the small arctic town he calls home, Sebastian must wage battle with them the only way he knows how: by unleashing the power of sin itself.

Thus, the stage is set for an epic confrontation between the forces of good and evil, in which a mother monster strives to save the dying land around her—and a young Inuit boy, haunted by Sebastian’s fate, risks everything to forge a new way forward for the desperate vestiges of humanity. As an obliterating darkness descends from the frozen mountains, this profoundly redemptive tale will build toward a climactic showdown in which nature and the supernatural collide with the eternal quest for healing and forgiveness.

AUTHOR BIO

*Richard Thomas is the award-winning author of nine books. These include the novels Incarnate, Disintegration, Breaker, and Transubstantiate; the collections Spontaneous Human Combustion, Tribulations, Staring into the Abyss, and Herniated Roots; and a novella, collected in The Soul Standard. Craig Alanson Columbus Day

EXPEDITIONARY FORCE | 20 BOOK SERIES

New York Times bestselling Sci-Fi adventure series.

We were fighting on the wrong side of a war we couldn't win. And that was the good news.

The Ruhar hit us on Columbus Day. There we were, innocently drifting along the cosmos on our little blue marble, like the Native Americans in 1492. Over the horizon come ships of a technologically advanced, aggressive culture, and BAM! There go the good old days, when humans only got killed by each other. So, Columbus Day. It fits.

When the morning sky twinkled again, this time with Kristang starships jumping in to hammer the Ruhar, we thought we were saved. The UN Expeditionary Force hitched a ride on Kristang ships to fight the Ruhar, wherever our new allies thought we could be useful. So, I went from fighting with the US Army in Nigeria, to fighting in space. It was lies, all of it. We shouldn't even be fighting the Ruhar, they aren't our enemy. Our allies are.

AUTHOR BIO

Craig Alanson is a NYT bestselling author. His first audiobook 'Columbus Day' was a finalist for Audiobook Of The Year 2018. He used to create financial reports for a large IT services company. Writing fiction at nights and on weekends, he finally independently published three novels on Amazon. Within 6 months of his first ebook release, he was able to quit his day job and pursue a full-time writing career.

The breakout success of Columbus Day (Expeditionary Force, Book 1) reached new heights when Podium Audio released it in audio format, narrated by Audie Award Winner R.C. Bray. The Columbus Day audiobook was a huge hit, and a finalist for an Audie Award as Audiobook of the Year.

The ExForce series, as it is known to fans, has gone on to 16 books/audiobooks, many of which have hit the Audible and New York Times bestseller lists.

How to Train Your Human Omega

COVETED BONDS | 3 BOOK SERIES

From debut author, Arden Fox, How to Train Your Human Omega is a tantalizing beauty and the beast retelling in the form of an action-packed, spicy, queer sci-fi romance -- with over 25,000 units sold across the series so far!

Clay - I don't ask for much from life; I get paid, and then I get laid. And piloting spaceships across the galaxy keeps my solo lifestyle well funded. I don't need a relationship or any of the baggage that comes with it. I like my men like I like my coffee: to go.

That is, until the most boring job in the universe goes horribly wrong and I'm snatched from my ship by a seven-foot alien. He's huge, he's purple, and he's ripped as hell. I'm sure I'm a dead man.

Only it turns out he doesn't want to kill me. What he wants is far worse.

Arcaay- I am the Second; Aldar royalty, the right hand of our leader. I live a half life. On my planet, alphas and omegas are believed to be two halves of a soul. But Omegas are a rare treasure, all but extinct, and I have resigned myself to never knowing the joy of a soul bond.

But that all changes the moment I step onto the human ship. By some miracle, their pilot is an unclaimed Omega. It does not matter that he is a different species, I have to have him.

AUTHOR BIO

Carpathians

Bestselling first-contact science fiction from the original audio publisher of The Martian.

Humans have reached the stars. There is no evidence any other species survived its own sentience long enough to do the same. Until now, when the Magellanix deep-space scout Accipiter discovers the Artifact, a million-year-old alien construct resting in a dormant volcano on a faraway world.

Now, TransGalactic has sent the Carpathia to steal it. Two ships, two rival corporations, and a race only one of them can win.

The stakes are greater than they seem. The Artifact is more than just a technological marvel. It holds the key to humanity's survival, and—perhaps—an understanding of our place in the universe at last.

Shades of Forever

At once violent, funny, and hopeful, Shades of Forever is a reality-shattering, mind-melting slice of dystopian fiction from author, activist, and former NFL punter Chris Kluwe.

In a heretofore calm pocket of a postapocalyptic world, a few survivors find they are not alone as they face a new reality rife with cosmic horrors.

In an isolated village at the edge of a forest, the last of humanity ekes out a spirited existence on an Earth that was ravaged by cataclysm generations ago. Here, Sky Memoriam prepares to assume the role of memory keeper, sole relator of the long-forgotten histories of the Old World. But Sky is in for a shock.

When a ship from somewhere out in space lands in the survivors' clearing, its wisecracking AI interface, known as Box, quickly announces its intention to integrate Sky into what the visitor insists is the true reality. It seems assimilation is necessary if Sky is going to withstand the eldritch horrors—so soul-rippingly incomprehensible there are no words to describe them—that are coming.

Creature-combat training aside, Sky's greatest task will be making sense of everything the snarky bot keeps trying to impart about limitless imaginations, the endless infinity of other worlds, and the dangers on this one. Being torn between two realities—the one of the wasteland Sky and the plucky village folk call home and a new one proffered by Box—is enough to drive anyone insane. But as Sky soon discovers—and as weird as it sounds—madness itself may be the key to surviving this wild ride.

AUTHOR BIO

Chris Kluwe is a former NFL player, who set multiple records for the Minnesota Vikings; a fierce social justice advocate; and the author of Shades of Forever, Otaku, and Beautifully Unique Sparkleponies. Until the End of the World

UNTIL THE END OF THE WORLD | 4 BOOK SERIES

Named one of BookBub's top can't-miss zombie series, Until the End of the World blends the intensity of a zombie apocalypse with deeply emotional storytelling, focusing on relationships, survival, and the resilience of the human spirit.

Cassie Forrest isn't surprised to learn that the day she's decided to get her life together is also the day the world ends.

After all, she's been on a self-imposed losing streak since her survivalist parents died: she's stopped painting, broken off her engagement to Adrian and dated a real jerk. Rectifying her mistakes has to wait, however, because Cassie and her friends have just enough time to escape Brooklyn for her parents' cabin before Bornavirus LX turns them into zombies, too. This is difficult enough, but Cassie's tag along ex-boyfriend and her friend's bratty sister have a knack for making everything, even the apocalypse, more unpleasant.

When the two attract a threat as deadly as the undead to their safe haven, Cassie's forced to see how far she'll go to protect those she loves. And it's a lot farther than she'd anticipated. This, coupled with Adrian's distant voice on Safe Zone Radio and, of course, the living dead, threaten to put Cassie right back into the funk she just dragged herself out of. Survival's great and all, especially when you have leather armor, good friends and home-brewed beer, but there's something Cassie must do besides survive: tell Adrian she still loves him. And to do that, Cassie has to find faith that she's stronger than she thinks, she's still a crack shot and true love never dies.

AUTHOR BIO

Sarah Lyons Fleming is a Laura Ingalls devotee, wannabe prepper, and lover of anything apocalyptic. Add some romance and humor, and she's in heaven.

Besides an unhealthy obsession with bug-out bag equipment, she loves books and making artsy stuff. Born and raised in Brooklyn, NY, she now lives in Oregon with her family and, in her opinion, not nearly enough supplies for the zombie apocalypse. But she's working on it.

Into the Stars

RISE OF THE REPUBLIC | 12 BOOK SERIES

A page-turning, near future, military sci-fi epic, packed with action and believable future tech.

The stars are within mankind's reach...but what awaits in the void may end humanity.

Mars and the Moon have been colonized, piracy runs rampant in the asteroid belts, and a thriving society grows in the depths of space. Humanity prepares to embark upon its greatest journey - the colonization of Alpha Centauri.

Then, everything changes. A deep space reconnaissance probe discovers a new Earth-like planet 12 light-years from Earth's sun. The probe also finds something unusual, something...unnerving. A new mission is created, a space fleet is formed, and humanity embarks on unravelling the greatest mystery of all - the origins of life itself.

Can the factions of Earth remain united, or will old rivalries and animosities destroy the fragile peace in the face of this terrifying existential threat? Will exploration prove to be a fatal mistake?

"Earthers in the late 21st century discover a new habitable planet, but they might not like what awaits them there in this opening of Rosone's SF adventure series...Rosone enhances this story with action scenes and chic tech, like neurolink implants, which essentially allow people to communicate telepathically... Stellar beginning to a futuristic saga." -- Kirkus Review

The Sword of Jupiter

IMPERIUM | 6 BOOK SERIES

Set in an alternative future, the Imperium series explores the question, "What if the Roman Empire had survived long enough to utilize space-age technology?" Perfect for fans of Craig Alanson, A.G. Riddle, and Stephen Baxter.

An uncertain future in a new past.

During the test flight of a prototype faster-than-light craft, Lt. Commander Ky is flung into an ancient past that never existed. Rome has fallen, defeated by the mighty Carthaginian Empire, its survivors chased off the continent and onto what had been the remote province of Britannia.

Hounded by the Carthaginians bent on conquering the known world, Rome is on the verge of destruction. Stranded and alone, except for a tactical AI implanted in his head, Ky has lost everything and must find a way to live in a world different than anything he's ever known.

For Ky to survive, he needs a new home. For the Romans to survive, they need a miracle. But can a man from the future work with people so far in his past, or is this match doomed to failure?

The future isn't what they expected.

A company of Army Rangers is sent on an interstellar colony ship to secure a foothold on a dangerous, alien planet through violence of action. Leaving behind a warring Earth flung headfirst into a conflict of mutual assured destruction, the Rangers and the accompanying crew of first colonists are guided on a 40-year journey by an unprecedented artificial intelligence.

But when they emerge from the frigid embrace of cryosleep, they awake to a nightmare, finding themselves greeted by the same ruthless enemy that brought about the ruin of Earth. Alone on a dangerous, alien planet and with no hope of rescue or relief, the military colonists are forced to finish the war they thought they'd left behind. And in an unknown galaxy, friends and enemies alike prove to be much more than they seem.

ALL THE SKILLS | 6 BOOK SERIES

A high fantasy, coming of age epic with dragon riders and a unique card-based magic system. An accessible entrypoint to the growing LitRPG genre.

For a boy coming of age and discovering a magical self-reliance and new powers for every occasion, the future is in the cards, in this fantasy adventure.

Arthur lives with his father, a fallen but proud former noble, in Border Village #49, along with the other good folks condemned to toil in service to the Baron. But Arthur has an edge: a stolen heart card that secretly fell into his possession, thanks to a dragon. It's a priceless source of power for the Baron and the tyrant will kill to get it back. Invaluable, too, to a young man of spellcasting ambitions.

"Honour Rae's All the Skills has everything I love: great writing, an intriguing mystery, and badass dragons. Well, some of them are badass. Some are dweebs, and that makes it even more awesome." —Matt Dinniman, bestselling author of Dungeon Crawler Carl

I'm Not the Hero

I'M NOT THE HERO | 6 BOOK SERIES

An isekai buddy comedy with endearing characters, found family and LitRPG elements.

When it comes to action and adventure, every hero needs a good sidekick. Holmes has Watson, Batman has Robin, and Daniel has . . . Orrin. More like brothers than friends, they always have each other's backs. And as Daniel is the big, strong, handsome type, Orrin is more than happy to remain in his shadow at school, at parties, pretty much everywhere.

Then things take a turn for the truly weird when a terrible accident catapults the pair into a world totally unlike their own, in which the rules of a role-playing game hold sway. Naturally, Daniel is classified as a "hero," while Orrin is—also naturally—relegated to the fantasy equivalent of "bleh." Nothing new there.

But in this realm populated with lethal foes both inhuman and inescapable, sticking together matters more than ever, and soon Daniel and Orrin will discover more about themselves—and each other—than either one thought possible. In fact, Orrin just might find the confidence and strength to become something other than your average sidekick . . .

AUTHOR BIO

SourPatchHero lives in Virginia with his wife, two energetic boys, and a dog that competes for his attention when he's not writing. Lawyer by day and father/husband/dogwalker by night, he is the author of I'm Not the Hero, a story about two friends who are transported to a new world with magic and danger around every turn. What started as a small idea about the background character who didn't get the Hero class evolved into a sprawling tale of friendship, loopholes, and gaming the System.

Nicholas Searcy **Death: Genesis**

DEATH: GENESIS | 16 BOOK SERIES

The hit post-apocalyptic LitRPG series -- with more than a million views on Royal Road -- has become an Amazon reader favorite, garnering an average of 4.7 stars from readers.

Death is only the beginning in this brutal and bloody post-apocalyptic fantasy about humanity's next phase.

In pursuit of his abusive father's approval, Zeke Blackwood pushed himself to the very pinnacle of his chosen obsession. Since childhood, all he'd ever wanted to do was play baseball, and through hard work, discipline, and no small degree of talent, his goal of reaching the major leagues was finally in sight. But then a horrific car accident ruined his arm, eliminating any hope of a professional baseball career.

Consumed by depression, Zeke gave up on his future, preferring to wallow in self-pity. That is, until an opportunity came along for him to prove his worth. When his chronically ill younger brother needed a kidney, Zeke didn't hesitate to offer one of his own—only to die on the operating table.

But eons later, after Earth has been ravaged by disasters both natural and man-made, Zeke is reborn. Guided by the mysterious Oberon, he soon finds himself in the Radiant Isles, a magical land populated by legendary creatures and horrifying monsters alike. A war rages between good and evil, and Zeke—along with the rest of humanity—has been recruited onto the front lines.

Fully healed from the wounds of his previous life, Zeke battles his way through an army of trolls and other subterranean beings, all the while increasing his skills, improving his strength, and gaining superhuman abilities. Finding allies in Abby, an archer who teaches him about his strange new circumstances, and Pudge, a helpless cub who's become soul-bonded to him, Zeke must keep collecting victories if he's to survive in this merciless world.

AUTHOR BIO

Nicholas Searcy has been a lot of things in his life, working jobs ranging from law enforcement to car sales, but through the various careers, he's always been a writer. Whether it's traditional fantasy, LitRPG, or science fiction, he's always putting words on the page.

Deadworld Isekai

DEADWORLD ISEKAI | 3 BOOK SERIES

In this isekai from the author of *How to Survive at the End of the World*, a man is sent to save a dead planet . . . a couple thousand years too late.

Matt's in the prime of his life. So when his doctor tells him he only has months to live, he figures it's just really bad luck. But it's about to get a whole lot worse.

When Matt's Earthly form finally expires, a truck-avatar system gives him the opportunity to become a hero on the paradise world of Gaia, a supposedly verdant, rich land teeming with plants and potential. What he finds instead is a place completely bereft of life. A literal dead planet. Thanks a lot, truck.

Now, Matt's going to have to figure out not only how to survive in a completely barren realm but also how to not go completely mad with a full load of stats, skills, and levels that might mean absolutely nothing. Unless there's actually something out there after all . . .

AUTHOR BIO

R.C. is a 30-something writer from the southwest whose interests include forgetting to exercise, inflicting sick verbal burns on his children, then losing burn contests to his children, and plotting to regain dominance over his increasingly capable children. Lazybaker

Kaito, Seriously? Another World?

KAITO, SERIOUSLY? ANOTHER WORLD? | 3 BOOK SERIES

Gamelit author, Lazybaker, makes his debut with Kaito, Seriously? Another World? — a laugh-out-loud, slice-of-life LitRPG story of an overpowered hero ... and the system AI is having a terrible time.

After too many lifetimes to count slaying demons and grinding levels, prophesied hero Kaito finally tells destiny where to shove it.

He's done.

When dimensional portal number seventeen drops him in front of an enthralled king begging him to vanquish the looming Dark Army, he does what any retired adventurer would do—politely refuses and heads off to focus on the simple pleasures of life: community, and getting his taxes done on time.

No more impossible quests, no more magical MacGuffins, and no more final bosses. Kaito is putting his armor out to pasture for good in a cozy village baking hell-herbs and bread. He's found peace. He's found home. He's finally free to live out his slice-of-life fantasy.

AUTHOR BIO

Lazybaker always dreamed of imagining the most powerful character that has ever been created and that's how Kaito was born. Kaito, Seriously? Another World? is Lazybaker's first original story.

When an alternate Earth is subsumed into a new reality comprising many worlds, a young vampire is the only one with the knowledge needed to save her planet.

Sold to a vampire cartel at a young age so her starving family could eat, Marianna Rojas is accustomed to fighting for her survival. When her temper leads her to make a terrible mistake, the vampire master of the Lágrima Sangrienta Cartel decides to make an example of her. Near death, her life is spared by mere chance, but she opens her eyes in the wilderness to find two moons hanging in the sky above her.

Earth is being subsumed into a new reality by a spell with god-like power, and Marianna has been chosen as one of thirty Exemplars to experience the new world ahead of the rest of the planet's denizens. As a vampire herself, she's used to striking fear into the hearts of all, but now it seems like every monster lurking in the shadows is out for her blood. She'll have to learn this new realm's rules and level up her skills—and fast.

Accompanied by a tiny dragon named Saia, Marianna works to master the mysterious Mask, which seems to be the source of all the new skills now available to her. With it, she sets out to discover the path to fulfillment of her destiny. Suddenly flush with magic, she's more powerful than she's ever been, and the Thirst is thrumming in her veins. But she only has a month before she's sent back to the freshly integrated Earth to help with its transition.

Determined, Marianna trains to fight, and between the Dwarves, the Elves, and the warlike YoKai-ni, she has plenty of opportunities to practice. But to what lengths will she go to survive—and save as much of the Earth she left behind as possible?

New Beginnings

LEGEND OF THE SPEAR SAINT | 3 BOOK SERIES

Demons are gathering. The Rhys Kingdom is in danger of being overrun. There's just one problem, they've summoned one hero too many.

Rowan never thought he'd be a chosen one. When he's summoned to a kingdom preparing for war, his first instinct is that there's been a terrible mistake. And where the other heroes are given the traditional roles of might and skill, Rowan finds himself locked into the spear, a commoner's weapon.

Unprepared for the role of an unwanted hero, Rowan has to rely on himself, his questionable set of skills, and whatever allies he can scrounge up. And he has to do all that before the demon wave washes over the kingdom.

Mortykay

Immortal Drunkard: Volume 1

IMMORTAL DRUNKARD | 3 BOOK SERIES

LitRPG author, Mortykay, brings readers a new Xianxia series! Join Kai as he explores this vast universe, uncovering its hidden corners and experiencing the full spectrum of emotions that come with his new abilities.

Why did the Sphere choose him? Can Kai master and control the powers it bestows?

In a world ravaged by endless battles and wars, the life of an ordinary person is as fleeting as a moment. Kai, a young orphan raised in a remote shelter, struggles daily for mere survival. But when he faces the brutal realities of his world, his fate takes an unexpected turn.

Mysterious circumstances lead him to the mystical Sphere, an artifact that unlocks untapped powers. From that moment on, Kai gains abilities beyond his wildest dreams.

Despite his newfound powers, Kai doesn't seek to become a hero or change the world. Driven by a thirst for knowledge, he embarks on a journey of discovery. Majestic landscapes, ancient cities, and hidden secrets of his world reveal themselves to him.

AUTHOR BIO

Mortykay is the author of the fantasy cultivation series "Immortal Drunkard." He dreamed of a cultivation genre book adapted for a Western audience, which inspired him to write his own work. He never imagined it would become something significant.

"Immortal Drunkard" is his debut novel, gradually gaining readers. Mortykay aims to create a unique and captivating world that grabs readers from the first page, and he continually works on improving his writing skills.
