THE FAIRLEY BROTHERS IN JAPAN

By David Starkey

FROM THE AUTHOR OF POOR GHOST COMES A POIGNANT ROAD TRIP NOVEL FOLLOWING TWO MIDDLE-AGED BROTHERS, CHRIS AND ANDY FAIRLEY, AS THEY ATTEMPT AN UNLIKELY MUSICAL COMEBACK IN JAPAN.

Chris and Andy Fairley couldn't be more opposite—Chris, an uptight, ever-pessimist, and Andy, a go-with-the-flow hopeful. Their glory days seemed long behind them since their moderate success as a folk-rock duo and their relationship with each other fizzled out in the mid-1980s. But when their hit song is unexpectedly chosen for a Japanese car commercial, the men are given one last shot to revive their fame and friendship.

They embark on a tour across Japan, but soon find their venues are far from glamorous: a wedding reception where they're asked to play their hit on repeat, a flower farm gift shop, a windy sculpture park, and a restaurant where customers catch their own fish. As tensions between the brothers rise and a strange reporter begins following them all around the country, the men aren't sure if the band or their relationship will survive. With echoes of Andrew Sean Greer's *Less*, *The Fairley Brothers in Japan* is a gently comic exploration of aging, family, and belonging. It's a tale of two brothers, not just hitting the road, but rediscovering themselves along the way.

SPIT BACK THE BONES

By Teagan Olivia King

FOR FANS OF MIDNIGHT MASS COMES A HAUNTING NEW HORRORANCE. SOMETHING DREADFUL IS FESTERING IN THE OLD THOMAS BOG. FOR YEARS, IT'S DONE WHAT IT HAS BEEN TAUGHT TO DO—IT SWALLOWS. BUT IT'S DONE FOLLOWING ORDERS.

It's been three years since Mila Thomas' brother Jed went missing and his case went cold. Since then, Mila has fled town, running from the voices of the dead that reach her from the depths of the old family bog, afraid she would hear her brother's among them.

But when her younger sister, Agatha, calls her back home to celebrate her graduation, Mila can't help but return to her old haunts. When she arrives, Mila comes face to face with the town reverend, who informs her that Agatha is now also missing. Finding her mother and the local police utterly useless, Mila opens herself up to the voices of the bog in the hopes that they can tell her where her sister is. But something else lurks beneath the bog's waters, something that would sooner hunt her than help her. As more bodies turn up on the sandy shores, Mila must overcome her complicated history with the reverend's estranged son—the boy she never quite got over—to unearth the fate of the town's missing members and the family secrets that may be behind everything.

RAVAGED BY THE LIES OF ITS MONARCHY.
TO CLAIM THE CROWN, ADELINA, SEBA, AND
JASIBIN MUST LEARN TO BE A LITTLE WICKED...
EVEN IF IT MEANS BETRAYING EACH OTHER.

All hail Malves, who shall wear crowns.

On the night of her brother's murder, Adelina Malves holds him as he dies, inheriting both his title and the prophecy that spelled out his doom. If she's to avenge him and avoid a similar death, she must claim the crown of Jumaral by ruthlessly cutting down every family member ahead of her in the line of succession and uncover the secret that got her brother killed.

Hail! Thou shalt get kings, though thou be none.

Ghost-whispering Jasibin holds the key to Adelina's plan to contact her dead brother—if only his strange magic wasn't killing him slowly. To fulfill his own prophecy and protect his brother Seba, he must discover the source of his magic before he's lost to the land of the dead.

All hail, Sebastião, that shall be king hereafter.

Seba is desperate for a way out of Jumaral and the substantial financial debt his dead mother left him. When a witch sees the riches of a king in his future, Adelina's offer of coin in exchange for help feels like fate, pulling Seba into a fake dating plot with Adelina that hides their sinister plans.

DELIGHTFULLY MISCHIEVOUS HOLIDAY
MYSTERY FULL OF TWISTS AND TURNS SURE TO
DELIGHT AMATEUR SLEUTH FANS OF ALL AGES!

Holiday emporium owner Thomas Nast isn't your typical guy. His Victorian-era home is sentient with a 13-foot guard alligator named Tinsel living in its walls. A mostly invisible—and mischievous—elf named Peppermint reluctantly serves his every whim. And he just happens to be the next in line to become the real-life Santa Claus. Until that happens, however, Tom spends his days helping the people—and frequent tourists—of Christmas, Florida, with all their Christmas and other holiday needs.

That is, of course, until he walks into his store one morning to find the body of a man dressed in full Santa costume—a man reviled by almost everyone in town—who's been stabbed multiple times with a pocketknife identical to six custom jobs Tom had given to his closest friends a few years earlier.

With Tom's young assistant, Trixie McNamara, in police crosshairs as the prime suspect, Tom is forced to dig up the dirt on his friends, a nasty town spinster, and a semi-retired mobster to prove Trixie's innocence. But as he investigates the murder, Tom will find himself in the crosshairs of an altogether different kind if he's not careful...and Santas-in-Training, he knows, can die just like anyone else.

A DANCE WITH DEATH

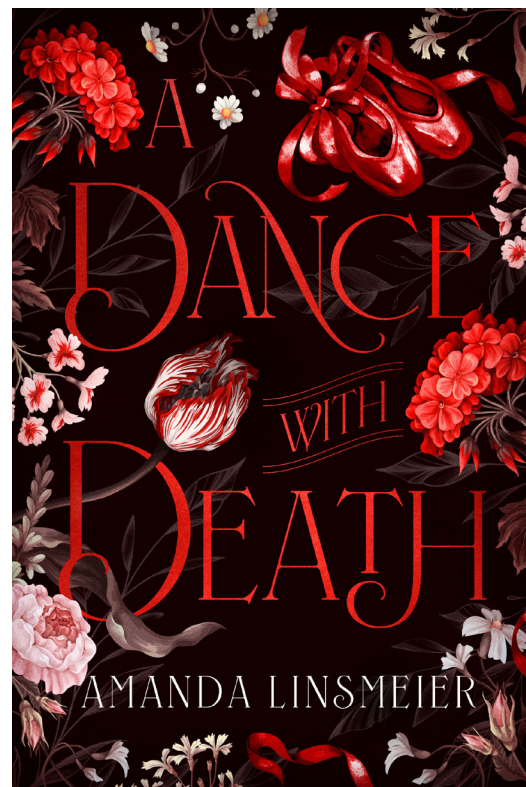

By Amanda Linsmeier

CORLISS BELL WOULD DO ANYTHING TO BRING HER OLDER SISTER, AVEN, BACK TO LIFE.

She'd give up her dreams of being a professional ballerina. She'd resign herself to never leaving the small seaside town of The Pins. Hell, she'd even make a deal with a demon. After all, demons are masters of death.

When a town mystic tells Corliss there's a demon living nearby who may be the key in returning Aven to life, she's emboldened by the idea of getting her beloved sister back. Corliss sneaks into the demon's dilapidated mansion to beg for his help. But instead of finding him, she discovers a pair of enchanted red ballet slippers and steals them. The demon comes to reclaim what is his but finds Corliss and the slippers hopelessly intertwined. He imprisons her in his mansion, forcing her to dance for him every evening as punishment for stealing. Far from a helpless captive, Corliss begins working out a plan to bring Aven back to life, as soon as she can convince the demon—Orrin—to help her.

Hauntingly beautiful, with lush prose and a vividly creepy atmosphere, *A Dance With Death* is a compulsively juicy read that will wind its way into your psyche. Part horror, part magic—this is the gothic love story you didn't know you were missing.

Praise for Amanda Linsmeier's *Starlings*

"Linsmeier uses a delicate emotional palette to depict her plot, beginning with the subdued gloom and grief surrounding Kit and her mother. The suspense gradually grows to the nail-biting climax, and character development is so nuanced that the reader, like Kit, can't trust anyone. Fans of folk horror will be entranced by this suspenseful novel." —Booklist

LOVE FROM THE COSMOS

By Mowa Badmos

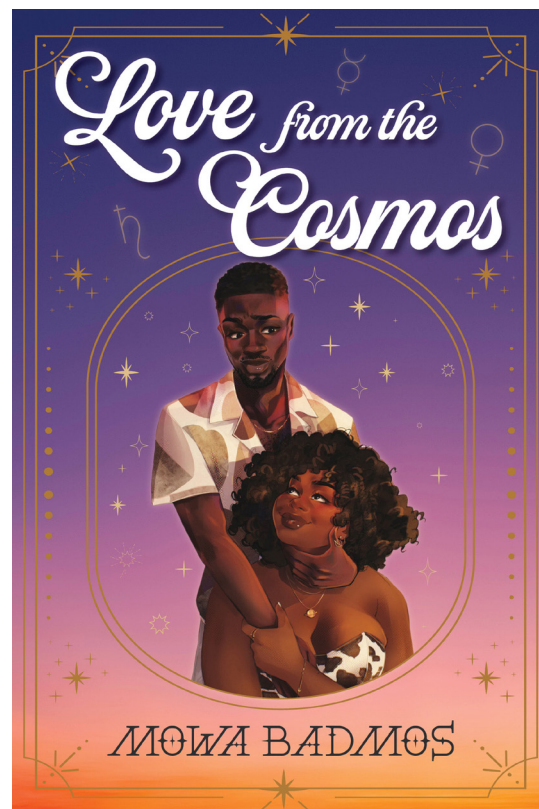

BEAUTIFUL, SMART, AND DETERMINED MOYO ADEGBITE HAS IT ALL...ALMOST.

As a Boston-based Pediatrician, she's made her parents back in Lagos proud. Now, she's ready for true love.

To avoid dating all the duds in Boston, Moyo's research led her to devise a foolproof plan: Join Cupid's Bow, the popular astrology dating app that uses birth charts to match soulmates with a 99 percent success rate. And the app works...until it doesn't. After discovering the infidelity of a Cupid's Bow match, Moyo goes on a booze-fueled rant against the app's creators, filing an irate complaint slamming the planet responsible for her love life—the god, Saturn.

Niyi Bankole was reluctantly named Saturn, and now he's saddled with a position at Cupid's Bow, the family business, as one of three matchmakers. But Niyi quickly learns he's unequipped to be a god. Leaning into his science background to hide his incompetence, Niyi writes an algorithm that seems to work for clients...until Moyo's complaint triggers damage control. Now, Moyo is contracted to receive a dating coach to walk her through three Cupid's Bow–assigned dates. Eager to clean up his mess and (secretly) fine-tune his algorithm, Niyi offers to be Moyo's dating coach.

As they work together, will Moyo find love through the algorithm, as she and Niyi planned, or will she get swept up in one of Saturn's rings?
